Ways of avoiding writing this bit, part 316:

1. Get in to work late.
2. Shuffle some bits of paper.
3. Ask the secretary if she fancies a quick one over the desk.
4. Ask the secretary: "Who are you calling bumface?"
5. Fix the coffee machine.
6. Make up your expenses.
7. Take them to the accounts department.
8. Make up your expenses again.
9. Go to the pub and get drunk.
10. Come back saying: "I've got this great new idea".
11. Realize it's crap.
12. Look at 4,316 pictures of naked women.
13. Look at them again.
14. Once more for luck.
15. Go down to Coral's and put a tenner on Wimbledon for the cup.
16. Realize things are going a bit far.
17. Sit down and write this bit:

Another cracking issue we've got here – well, the girls are bloody sexy and that's all I care about. In fact, I'd tell you just what I did with one of 'em the other day in the office, but I've run out of space so I can't!

Phew, that was a lot easier than I thought. Dunno why I was trying to avoid it, really. I'm off to the pub. Cheers. – Ed. ♣

COME AGAIN
the girl you've asked to see

Julie Honsman really *is* the kind of girl you want to see again. I mean, we're used to some hefty sacks of post here at Raymond Towers, but we haven't had a concerted campaign of phone calls before.

Yep, like they say at the BBC, the lines were red-hot. People were calling in from Amersham to Aberdeen to tell us Julie just *had* to give a repeat performance even though she'd appeared in two issues – Volume 16 Number 10 *and* Number 13! (we even had a rather confusing gentleman on from Nairobi. We couldn't catch everything, but it was clear Julie had got him pretty excited).

The gal herself was a bit overawed too. Julie, from what we called "glamorous Basingstoke" (she called that a cheap crack), has appeared only in Club in this country, though she's done a couple of shoots for those lucky bastards in the USA.

"It's funny – I never got any fan mail from my appearances in America, though perhaps that's because the magazines never gave it to me. But on my first two appearances in Britain there were hundreds of great letters to read!

"A lot of them were about me not being able to find a man to satisfy me. I've had some very interesting offers from readers. I'll consider each one *very* carefully."

So we leave Julie with her hand between her legs. We hope you're in the same position. And we'll try to set up another set with the Basingstoke bombshell as soon as we can . . . ♣

Tasty Tits

My cock will never be the same again after hours of wanking over the fantastic Lucy in Vol 17 No 3. I've only ever fucked a couple of women with really big tits: for some reason I can't find any round here and that's a big shame. My last experience of a body like Lucy's was last year in Liverpool – whether it's the air, or the water, or what, I don't know – but the average boob size there seems bigger than anywhere else.

One thing I would like to see more of in Club is to have the girls talking about their sex lives, and in particular their favourite positions for screwing. I would really like to know about Lucy's preferences, although my preference for her would be doggy-fashion! The pictures of her bum and cunt aren't that brilliant, but I can just imagine mounting her from the rear and cupping those mammary mounds in my hands, squeezing her nipples as I screw. I can picture her panting for more as we roll over (preferably in the hay!) and I give her a good hard fucking on top, bouncing up and down on those tits. And then go to it again with her on top, shaking her boobs in my face as she grinds her clit against my rock-hard cock.

That's a rough description of that fuck I had in Liverpool so it's not all fantasy, although it was spread over a whole Saturday night and preceded with a lot of tit-fondling, and cunt and cock sucking. But perhaps Lucy just likes to lie back, open her legs a bit more than she did in your pictures and think of England. I certainly enjoy lying back, tugging my cock, and thinking of *Lucy*!

Whichever way, I'd like to know, and the same goes for all those other incredible women you feature in Club. Let them tell us what they really want from their men: it takes a bit of doing in real life, but once you know what a woman wants it makes sex so much more satisfying! – *David, Falkirk*

Get 'Em Off!

I must congratulate you on the excellent Vol 17 No 2. The girls were quite superb, the poses exquisitely sensual, and the locations all complemented the mood perfectly.

The only criticism I can make is that some of your photographers seemed a tiny bit tentative when it came to getting the young ladies' knickers off. Indeed, I had hopes of seeing more of Kirsty's delightful behind than was offered, but alas, undergarments were in the way again.

I would be most grateful if your lens chappies would make a note of this, as I suspect many readers would prefer to see a little less cotton!

Keep up the good work. – *Richard, Oxford*

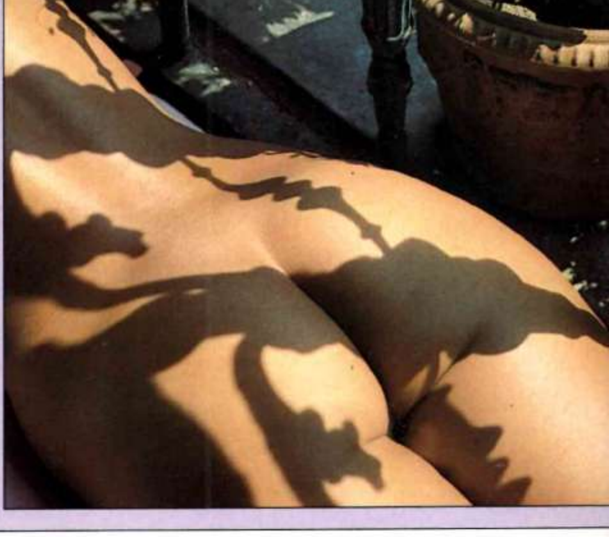
Nice Scream Funday

Can anyone tell me how to cope with a screamer and a scratcher rolled into one? Her name's Wendy and I picked her up at the Newport Pagnell service area as she tried to blag rides from lorry drivers. She's been with me ever since (three weeks, at the time of writing) and I'm crazy about her. She's tall, blonde, brassy as hell, with a nice round belly, a fat little arse which wobbles when she's wearing high heels, and huge tits that flop all over the place when she takes her bra off. She's 35 years old – or so she says – and to see her in her sexy black undies would make any man's cock hard. She'll do anything you want, sexually speaking, but, my God, does she sound off when she's got a length

IN ARREARS

Der DEEERRR da du du da DAAA . . . And anyone who's ever attempted to boldly go where no man has gone before will recognize that this month's theme tune is that old sci-fi fave, *Star Trek.* We all fondly remember good ole Spock and Kirk wafting around space on that plastic plate of theirs.

But naturally the big attraction of the series for me was the weekly glimpse of luscious Lieutenant Uhura's well-turned behind. A bit like the ones on display here, really. I can think of a few *enterprises* I'd like to go on with them. Beam me up, Scottie . . . – *Billy Buttock* ♣



between her legs! She's got my neighbours hammering on the walls, but still she won't shut it.

Wendy's completely devoid of any sexual sophistication. When we get home from the pub, her idea of fun is to drink can after can of lager and to sit around wearing just her knickers, playing with her vibrator and having me lick her tits while she watches the late movie. If I let my hard-on droop for more than a second or two she sulks and says I don't fancy her any more.

If I climb between her lovely stockinged thighs and fuck her missionary style, I'm sometimes able to keep her quiet by French-kissing her, but she wraps her legs around me and scratches merry hell out of my back. If I screw her on her hands and knees (her favourite) I try and muffle her cries with a pillow, but it's impossible.

It's not just her screaming which is driving me crazy – it's what she screams; things that'd bring a blush to the cheeks of a docker. Well, last Friday night my problems with Wendy came to a head. My neighbour came to the door in his pyjamas complaining we were making his life a misery. He's about twice my size, my neighbour – not the sort of bloke you rub up the wrong way.

"How would you feel about a threesome?" I said, apologizing profusely and inviting him in for a drink. "That should shut her up!"

Lisa's Guide to London

PART 6

Has Lisa really gone too far this time? Is that sword twitching in the hands of this upright guardsman? Can she really parade her nude body anywhere she likes?

Buggered if we know, but she's gone and done it again – boldly bared where no woman has bared before. Luscious Lisa wiggled her cheeky buns as she dropped her kecks right outside Horseguards Parade, on Whitehall and just a stone's throw away from Downing Street. The moment her boobs came into view she started the blurb:

"Horseguards Parade is where the Trooping of the Colour takes place annually on the monarch's official birthday in early June. The guards are chosen from a battalion of one of the five regiments of Foot Guards."

She stared at the geezer on horseback beside her. "Oi, mate, are you listening to me?"

Snapper Copthorne headbutted the brick wall. "They're not allowed to speak to you or even look at you, Lisa," he groaned. "That's the whole idea!"

"Blimey!" said our tasty tour guide. "I'll give him a moon then, just to make up for it."

Which she did, to the wail of approaching sirens. More next month, if Lisa's still at large. ♣

MOTORVATION

*We promise this is the last time we'll let **John Masham** write about cars that cost the same as a large family house. Thing is, this car more or less **is** a large family house.*

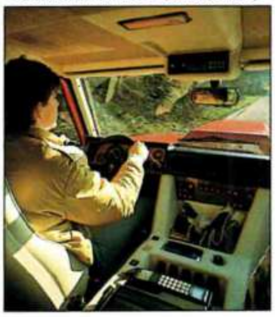
If one of the Ferrari Grand Prix team drives a Lamborghini it just has to be something special: Gerhard Berger does and it is. Called the LM-002, it's so rare it makes your bog-standard Bond Street Countach look more common than Dirty Den at Royal Ascot. Mind you, Den's better looking.

More Rambo than Lambo, the 002 is undeniably the Dreadnought of the big buck off-roaders. It eats Range Rovers for breakfast, never mind three Shredded Wheat, and with the aerodynamics of an armoury and the stylistic delicacy of a largish thermonuclear device it's a toughie, make no mistake.

But what, one wonders, is Sr Lamborghini playing at? The story goes that finding fault with his own Ferrari, tractor-building millionaire Ferruccio Lamborghini decided to beat the Ferrari boys at their own game. Whether he has or not is a moot point (he's never been racing, but then the Countach is as wicked as wicked can be) but no one can deny that he's put up a pretty good fight.

Anyway, looking at the LM-002 it's hard to avoid the conclusion that, tiring of gran turismos, the boss wanted to get back to his tractor-making days. Mounted on vast mud-plugging rubber balloons and with fewer curves than Dick Barton's jawline, it looks extremely agricultural. But scratch beneath the surface and, providing the owner doesn't kill you, you'll find an engine that's pure Lamborghini. Mind you, with the basic model costing a fair bit over 80 grand you'd expect it. What else, after all, could shift almost three tons of brick shithouse at 125 mph?

Originally the factory at Sant' Agata tried a V8 before realizing that if it's to be a classic, even off-road Italians need a V12. As a result, the lowly £82,000 variant is now fitted with a 5.2 litre V12, more or less identical to the Countach's: four camshafts, 48 valves, six huge downdraught carbs and 450 horses. And of course there's an extra-cost option of a 7.2 litre, also a 12 pot, for real show-offs.



The gearbox is a 10-speed, and with three gear levers to play with there's a lot of fun to be had just trying to work out how to start the thing.

First things first, though; call in at your local Esso halt to fill up the fuel tank. That's 110 quid gone before you're even off the forecourt; that's if you actually manage to fill the 64-gallon tank before boredom and/or handcramp sets in.

Visibility is excellent, but then it needs to be in a vehicle that is seven feet from side to side. That said, your rearward view can be a problem, if only because even the likes of a Transit van can sneak in beneath your line of vision. Up here, you get a commanding view of most other road users. They get a pretty good view of you, too, even though they rarely know just what the hell it is that's filling their entire rearview mirror.

It's an evil feeling – suddenly you know what it's like to be one of those luxury coachdrivers who, ignoring the law, power their way down the fast lane scaring all the little guys in their GTIs.

In the event of your encountering a wally in a Porsche or whatever, don't be dismayed as he pulls away on the fast straights. Just wait for the next set of lights and crush him. "Sorry, officer, didn't see 'im down there." Well, it might work in a lenient court.

Could any hooligan ask for more than this? Well, yes. Looks aren't the only thing the 002 lacks. Any believer in big cars and loud noises will notice immediately the lack of radio, and this in a car big enough to accommodate a concert-quality PA system. Nor is there any provision for a nodding dog out the back.

But they've missed out something even more important: *Motor* magazine quite rightly pointed out that the LM-002 doesn't have a helipad, nor is one listed as an optional extra. Take note, Lamborghini.

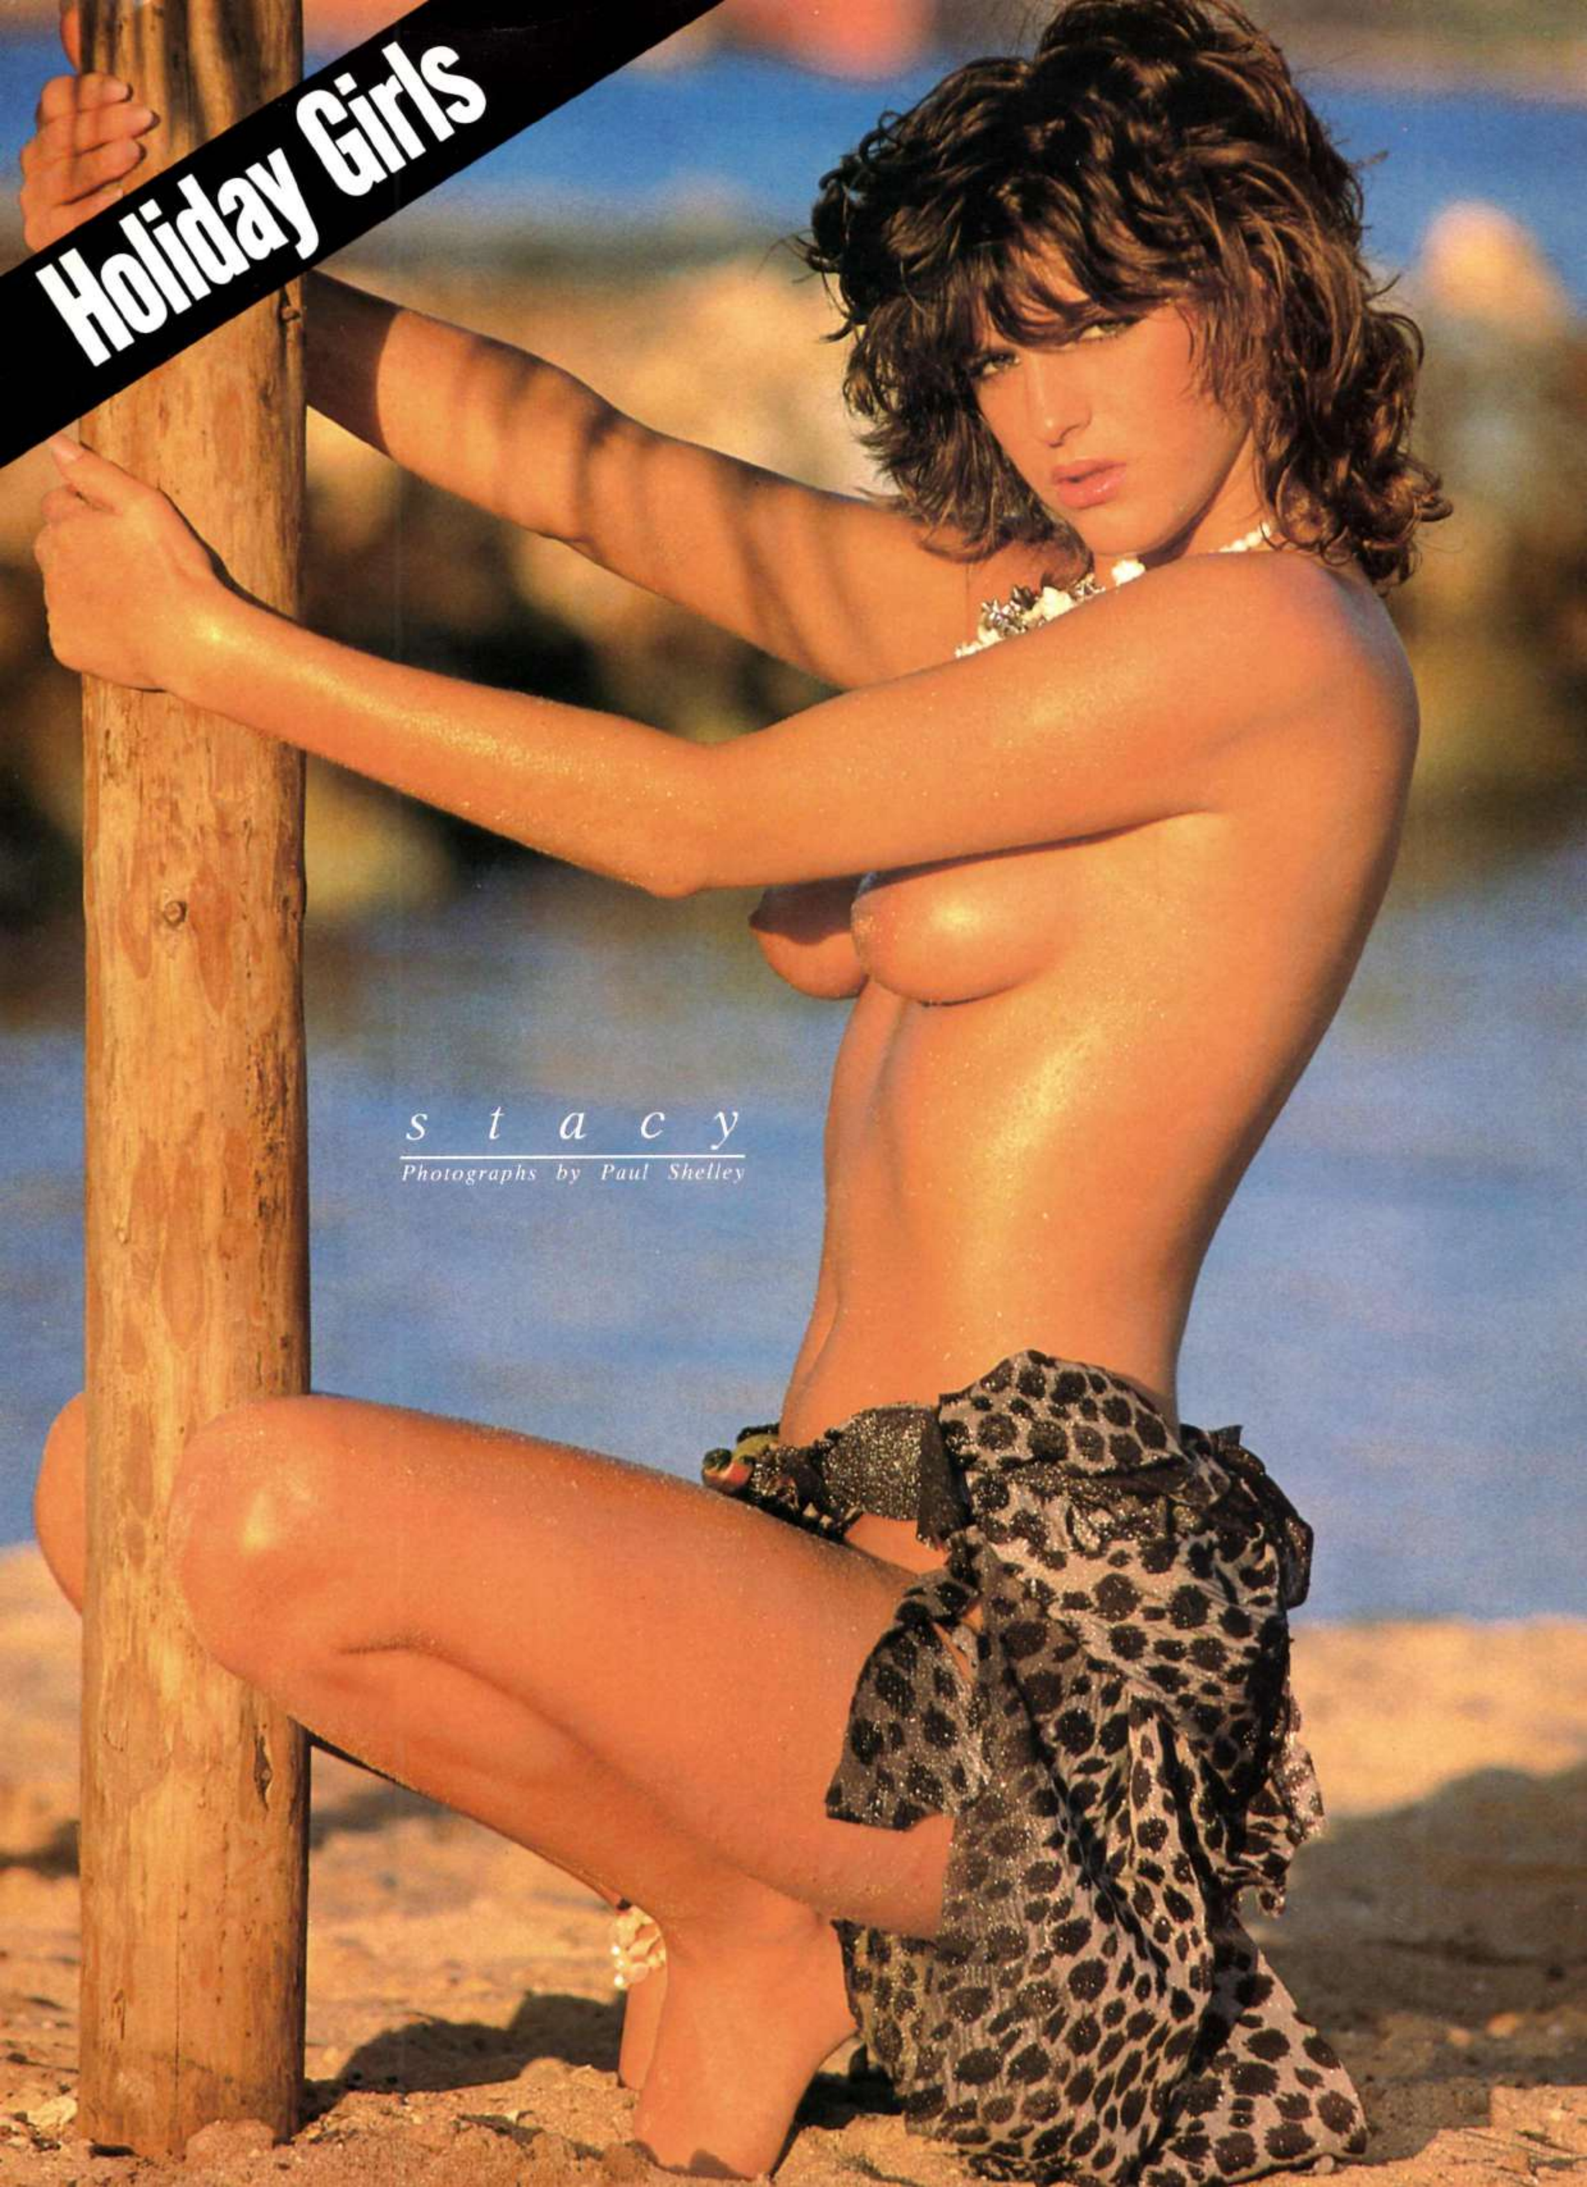
And it's certain that most 002 drivers will have at least one Bell Jet-Ranger tucked away somewhere. ♣

TOP TITS

Quite honestly, I think it's disgraceful. My innocent little Gary lured into vice by all these wicked women. These days, all he thinks about is tits. And he never showed any signs of it when he was a baby, I can tell you.

But now all day he sits daydreaming about "luscious mams", "great wobbly melons" and "heavyweight love-bubbles". Or that's what it sounds like. And all night, he sees hundreds of girls before his eyes, begging him to park his percy between their ample jugs. Ones like you can see here, really.

And I brought him up to be such a nice boy, too. – *Mrs Garbonza* ♣



Holiday Girls

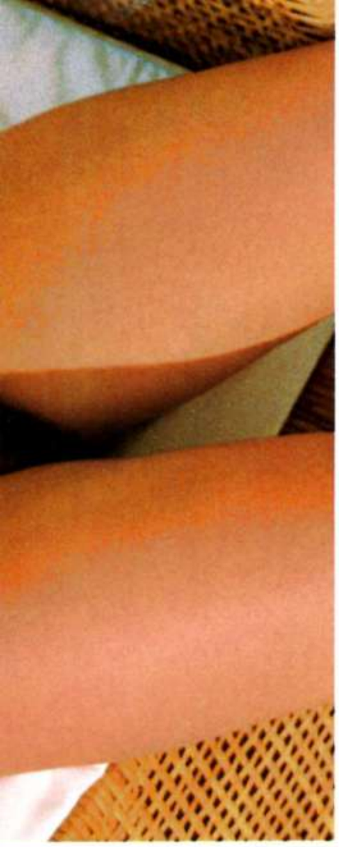
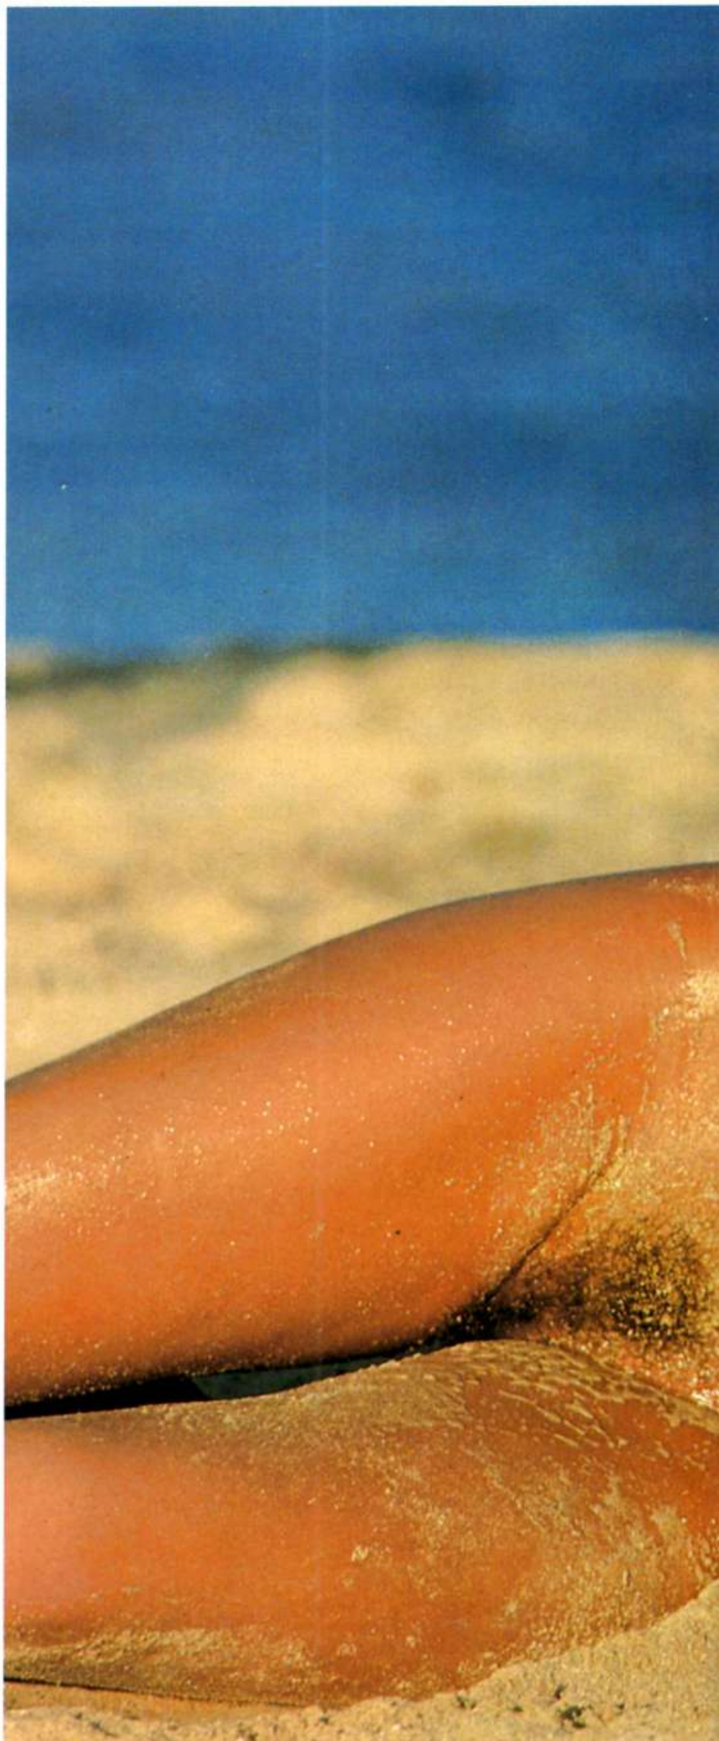
Photographs by Paul Shelley

Yessir, summer is definitely coming, and the select Club girls have packed their suitcases. We'll be sending 'em off to a different holiday hotspot every month – so look out for them when you're on the beach with your bucket and spade! First to jet off to the sun was the delicious Stacy Winfield . . .

I take the sun really, really well – and there's nothing I like more when I'm off on holiday than to lie soaking up the sun all day long. So you can imagine I was in my element when I

was whisked off to the Caicos Islands at the south-eastern end of the Bahamas. Hot, sunny and exotic . . . everything my home town of Manchester isn't! Bearing in mind I had to bring back nothing less than brilliant pictures (or the Ed would send me the bill for the trip), my first "task" was to sunbathe for a couple of days to pick up a great tan. I'm always careful to sunbathe nude so I don't get any white lines. I think men like to see a good, healthy, all-over tan. And, of course, the feeling of all that sun makes me feel a bit sexy. I usually like to make sure I have a man handy with my after-sun lotion following a long session: naturally, that leads





to a session of quite *a different kind . . .*

Happy holiday, wherever you're going. And if you need any company for a trip to the Caicos . . .

THE · PAPER · WITH · BALLS

Edited by Colin Jeffery and Paul Dunn

Every month, in throbbing ten-inch columns, we bring you the news stories that got away.

TOURIST DISTRACTION!

Bemused staff at a travel agent chain across London were amazed at the way onlookers crowded around their shop window to watch their videos about Turkey . . . until they realized they were screening a blue movie by mistake.

Instead of scenes of Turkey's tourist spots, passers-by were shown the antics of a young girl and a man.

A spokesman for the travel agents said: "The videos had been mis-labelled by the distributing company. They were quickly withdrawn when we discovered the mistake." *(Mirror)*

RING MY DINGALING!

A red-faced man was rushed to hospital after getting his wife's wedding ring stuck round his penis.

The anguished hubby first went to his local fire station when he found himself in a tight spot after a romp with the missus.

He had spent three hours battling to get the gold ring off using grease. Bristol firemen watched as the victim opened a carrier bag packed with ice to reveal the source of his embarrassment. It was swollen and turning black.

The man was rushed to hospital and doctors removed the ring. *(Mirror)*

GIRLS SLAM MALE PILL

Girls have given the thumbs down to the male contraceptive Pill – because they do not trust men to take it regularly, a survey of more than 1000 women has revealed.

Seven out of ten wanted "firm evidence" that their partners were using it, according to the report by Schering, Britain's biggest Pill manufacturer. Scientists believe the male Pill will be available in five to ten years. *(Sun)*

BRIEF NOTE

Police have told women in Surrey: "Take your knickers down", after a series of washing-line raids by a kinky thief in the Dorking and Redhill area. *(Surrey Mirror)*

WET DREAMS

Men have twice as many sexual fantasies as women, according to a survey. It says fellas have romantic notions EIGHT times a day – and they can be turned on by the slightest thing.

They are more likely than girls to be excited by something they see, read or hear. The survey was carried out at a New York university. Psychology graduate Jennifer Jones, who quizzed the students, said the men could be subjected to more sexy influences – such as TV adverts showing women in tight clothes. *(Globe)*

FRILLS FOR SALE

Happy hubbies got lots of frills during the sales – with massive spending sprees on sexy undies!

The saucy lads have been forking out a fortune on naughty knick-knacks. Stores report lingerie sales up by more than a third. And some men are even lashing out for LEATHER undies.

Scanty G-strings have been snapped up at £21 a time. And tiny bras consisting of two cups and a pot of glue are big sellers in Croydon, Surrey. *(News of the World)*

BAILIFFS' PRICK UP!

A naked lover jumped into the wardrobe when he thought he heard his mistress's husband coming home.

But the knock at the door turned out to be the bailiffs – calling to collect the furniture. And the first item they grabbed was the £500 antique wardrobe with the shy Casanova inside.

The lover stepped out, holding one of the wife's hats over his credentials.

Debt collector Josef Rafalski said after the hilarious incident in West Berlin: "There was a startled yell from inside when we picked up the wardrobe to put in our van. This chap hopped out, grabbed his clothes and bolted. I don't think he'll be back in a hurry. *(National Recorder)* ♣

Boobs. Bottoms. Naughty looks. Panting, heaving female chests. ***Allan Bryce.*** *Doesn't go really, does it? Oh well, here's the video column.*

If you like the sort of hard-boiled detective yarns where the hero shaves with a blowtorch, talks like Frank Bruno on speed and survives more beatings than Sheffield Wednesday then you'll go a bundle on **It's Called Murder, Baby**, the tough tale of a skirt-chasing private dick named Nick Popodopoulis (John Leslie) who gets into plenty of trouble when he takes on a case complex enough to tax the brainpower of your average budgie.

His troubles start the day that former sex movie queen Dixie Ray (Lisa Trego) oozes into his shabby office and slips him a retainer – I know, there must be a joke there somewhere – to find out who is blackmailing her with a very revealing photograph from her porn movie days. Nick is not sure she's telling all. He whips out his rod and levels it at her menacingly. "Spit it out, baby," he grunts. But this gal prefers to swallow.

The plot sickens as Nick calls himself a cab, even though he doesn't look like one. Then he shoots off to investigate Dixie's impotent estranged husband, a down-at-heel sort of fellow who

Tina Gets It Off Her Chest

The lady with the IQ in her DDs fearlessly confronts the great issues of the day. This month: why does Mrs Thatcher still refuse to knight* Bullseye's *Jim Bowen?

Now let's face it, if anyone deserves a knighthood it's Jim Bowen. Look what that man's done for darts. Amazing, innit?

There's all that money goes to charity, too. And ordinary people like you and me winning fantastic prizes. And don't forget Bully Bull, who makes all those great noises. Jim's idea, I bet. Triffic, eh?

hasn't had a stiffy since the day the boys at the office jokingly slipped some cement into his truss.

Also on the list of suspects is Dixie's horny daughter Leslie, a bird who's been screwed so many times that her pals call her Rawlplug, and gambler Tony Lamarr, a character so slippery that he gets royalties from Castrol. What more can I tell you? Whodunnit fans should be able to crack this one in 90 seconds.

You might have a little more trouble with **Angel Heart**, though. This complex chiller thriller was directed by the talented Alan Parker, a man known for his fish finger commercials and his ads for the Turkish tourist board (*Midnight Express*). It's set in atmospheric New Orleans of the 1920s, all rainy streets and dilapidated Southern buildings. Private eye Harry Angel (Mickey Rourke) is trying to track down once-famous big band singer Johnny Favourite for a mysterious foreigner named Louis Cyphre (Robert De Niro), who wants to collect on an unspecified debt. The bodies start piling up gruesomely around him, left in seedy apartments with hearts torn out or heads jammed into huge extractor fans, and all the while our dog-eared hero is unaware of the sinister true identity of his employer, or where his quest will lead him . . .

But wait a minute, I hear you cry. Where's the bums and boobs? Well since you ask, there's this really horny scene where young Mickey gets into a heavy bonking session with Lisa Bonet, the coffee and cream cracker from *The Cosby Show* . . . But that's not the reason for my mentioning the movie here. The Ed has decreed that from now on I should

FOUL•PLAY

Why are we crap at tennis? 'Cos they're all lesbians, says ***U Watt****. Now where was that racquet?*

I was flicking through this magazine the other day, vainly searching for the Current Affairs page, when I realized that in comparison to the other articles (not to mention the pictures) this column is coming over positively prudish.

So I began to ask myself questions: Where's the raunch? Do I like naked girls? How much is that doggy in the window? Suddenly I saw the light: this month, I had to be *rude*. My fingers went into a sex-craved frenzy on the typewriter:

"Balls wilson in out knickers twat locker-room lesbian love," I typed.

Didn't make any sense, but it all pointed to one subject this month – tennis. The twat must have been John McEnroe.

Tennis, as we all know, was invented by Henry VIII who used to thwack the heads of his dead wives contemptuously around the grounds of Hampton Court with an old carpet beater. These crude articles were refined and given French names (racquet and ballons) and, as with all British inventions, we gave it to the world and watched them get good at it.

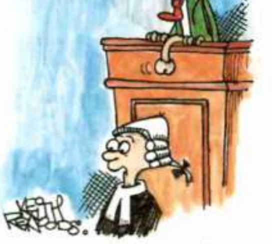
Characters like Sue Barker, Buster Mottram and John Lloyd, once branded as Britain's young hopefuls, can all now boast the motto: "I came, I failed, I fucked off home again." And then there was Virginia Wade, or Ginny to herself, who kept reappearing year after year to make us cringe with her self-abuse and frilly knickers, until she eventually won in Jubilee year by beating the Rubenesque Betty Stove. Stove by name, stove by nature, she had all the grace and agility of a gas central heating system.

Eleven years on we are still crap. Why? Well there are several good reasons for it. I recently spoke to some of our young girls who are hoping to deliver fresh hope and pride to the home fans at Wimbledon. They spoke keenly of ambition and practice, but when I mentioned fitness they fell mysteriously silent. No wonder they hit the ball so slowly.

Britain's young hopefuls can now boast the motto: "I came, I failed, I fucked off home again."

Another over-used excuse is the lack of facilities. Apparently one needs indoor courts if one is to practice properly. Bollocks. What's a little bit of rain? It's not as if the tarmac goes all soggy.

The third reason, and the one I find the most convincing, is the rampant lesbianism that has been perpetrated by all the world's ugliest tennis players. Billie-Jean King and her cronies . . . My God. You can just see them sitting in the locker-room chanting: "When shall we three meet again . . ." and terrifying our poor little things into total ineptitude. Billie may be a fine tennis player but if life was a game of *Just A Minute*, Kenneth Williams would have had her for deviation years ago.



Your honour, my client would like to plead guilty to the charge of indecent exposure

This image is responsible in a roundabout way for the ill health on the men's side, too. This country's best sportsmen are working class: Scousers who regard sport as a more glamorous alternative to burglary, Geordies who see it as a cheap ticket to the south and Cockneys who see it as a chance to get on Wogan. These are lads who like the rough and tumble of the field and a good shag afterwards. They're not attracted by a sport where the birds are more interested in each other than in them.

All over the country you'll find kids playing on municipal courts. But if they try to take it seriously they suddenly have to change their name from Jim to James – or worse, Nancy. Until all this posh poncification changes around, they're going to stick on those municipal courts – and damn right, too. ♣

Its owner is ex-performer Nigel Quintessence, a raving pooftah who once had a small part in *Nicholas Nickleby* at the National, until the papers found out and he was sacked. Now he does mince-ons for *Rectum of the Opera*, and runs a bum-bandit street-theatre company annoying pensioners in the Barnet Arndale Centre. The colour scheme in *Wimps* is pink and grey, which Nigel maintains is state of the art. Personally I think it's like sitting inside a slow-to-heal bruise. What's more, the 2000 bentwood chairs make it fucking impossible to get to the kharsi when the Nazi Riesling makes an unexpected attack on the southern front!

However, the wines available are excellent. For the true quaffer, I recommend the house white. Just £5.99 for a 1½-litre plastic bottle, it's light with a slightly acid bouquet reminiscent of Bill Beaumont's jockstrap, but barely noticeable after the second pint. But don't forget the fruity Burgundy (£4.99). As red and full-bodied as a Blackpool barmaid on the Costa Brava, it's as smooth as regal silk to drink – even if it does give you purple shit for days.

But the best thing about *Wimps* is the tit. Fucking tons of it jiggling bra-less in colour-supplement silk blouses and designer leather trousers. These girls never sit down; instead they stand at the bar sipping Perrier water – or Terrier water as I call it, 'cos it tastes like dog piss. All of them are desperate to meet anyone with a dick as big as their filofaxes who wants to stick it up the right hole. Only last week I was fondling the polyestered arse of a PA, and had just suggested an intimate eatery I knew where she could get something hot inside her. Suddenly the room was full of her perfume, as her perfectly painted lips pouted for a passionate kiss. I leaned forward . . . Then, unfortunately, I threw a whole bottle of Valpolicella up into the ice bucket. Yet another £4.99's worth had come back to visit me. ♣

TAPED!

continued from page 17

find space among the saucies for a mention of the best new mainstream tapes on the market each month, and *Angel Heart* is very definitely a contender. It's a chilling, stylishly shot yarn that mixes gumshoes and ghouls to good effect, offers exceptional performances from those old pros Mickey Rourke and Robert De Niro and is capped by a real corker of a surprise ending.

The only surprise about **Amazon Women On The Moon** is that anybody had the nerve to make a film with that title. But make it they did, and it's hilarious. The movie starts out as an affectionate parody of all those cheap and cheerful sci-fi flicks of the 1950s – the ones where two-fisted American astronauts with names like Biff and Chuck set off to conquer cardboard planets populated by monsters who looked like they'd come free in a cornflakes box.

The three space voyagers here are accompanied by a mascot monkey named Looney, who gets all the best lines. They crash land on the Moon and are captured by a bevy of love-starved space maidens. Then, like the viewer, the film breaks down.

While we're waiting for normal service to be resumed we switch to another channel and find a doctor trying to convince a pretty young mother that a Mr Potato Head is her newly born baby. Mum won't swallow that, so he tries his painted fist instead – "Wanna breast feed him?"

Then there's the fearless documentary series *Bullshit – Or Not*, which investigates startling claims that Jack the Ripper was really the Loch Ness monster in disguise and that a church steeple really sank the Titanic. More Russian Roulette channel-hopping finds an advert for "Blacks Without Soul", a terrible affliction that leads hip-hop singers to release cover versions of *Tie a Yellow Ribbon Round The Old Oak Tree*, and the moving story of a day in the life of a curvaceous Penthouse Pet, starting with a nude visit to church and a trip round the local supermarket to stock up on the provisions she needs for her missionary work.

As I'm sure you've realized by now, *Amazon Women* is one big Monty Pythonish piss-take on just about every aspect of movie and television sleaze. Made by a talented selection of directors, including

Lynn was just another innocent in Sin City. Until she went to live with Carol.
Love for Sale
18

Joe (*Gremlins*) Dante, and John (*Trading Places*) Landis, it's very much along the lines of Landis' earlier hit *Kentucky Fried Movie*, though to be honest it doesn't hit the target so often. But it's still great fun and is just the sort of tape to bung on late at night with a few drinking pals in attendance.

The cast includes the bountiful Sybil Danning as the leader of the Amazon Women, Carrie Fisher, Rosanna Arquette, B.B. King and the delightful Michelle Pfeiffer.

Back to the naughties now with **Love For Sale**, a tasty little number about two beautiful young girls trying to make their way in the big city. Lisa Eilbach (of the original *Beverly Hills Cop*) and Annette O'Toole play Lynn and Carol, randy runaways who get jobs with an escort agency and find themselves sucked into a twilight world of pimps, prostitution, and late night Scrabble games. Can Lynn's father rescue them before they get in too deep? And more importantly: what is bazonka worth on a triple word score? Quite a lot is revealed before the misspelled end titles. ♣

ASK ANDREA

YOU NAME IT, MS CLARKE WILL DO IT!

And after last month, you've been asking her just about everything. At present, Andrea's in the Editorial office buried under a mountain of mail. It seems that the sight of her in her very own kitchen sink drama last month had the nation in a frenzy.

And this month's is guaranteed to be even better. Andrea herself picked out this letter from Andy of Lincoln, who writes:

"I've been an Andrea fan since her Page 3 days, but what I'd really like to see is this beautiful blonde wearing some classic silky, sexy underwear, the really expensive lingerie that needs a gorgeous woman to show it off properly. The thought of that cool silk against Andrea's smooth tits and lovely hot little cunt just does things to me that she shouldn't even *know* about!"

But Andrea assures us that she knows *exactly* what Andy's on about – and to prove it, she's done just what he wanted. Another satisfied customer. ♣

letters to ANDREA

Dear Andrea,

After seeing your picture in the last edition of Club, I've only got one thing to say:

I THINK I'M IN LOVE! – Roger, Wolverhampton

Short and sweet. That's what I like – a man who knows his own mind. Good taste, too!

Dear Andrea,

I'll get straight to the point. I'd like to see you dress up in a chambermaid's outfit. And the shorter the better, too, if you don't mind!

The reason for my request is simple: you remind me very much of a young chalet maid I had the pleasure of meeting a couple of years ago while on holiday in Austria. She had the same high, firm tits and thick, blonde hair as you, and the same smouldering sexy quality that no doubt had all Club readers wanking themselves to death last month.

The young chalet maid was called Bettina, and she came across me in the bathroom one morning when she was going to do the beds. I hadn't bothered to lock the door, and she came bursting in to find me just stepping out of the shower. The sight of her holding a mop and feather duster gave me an instant hard-on.

By the look on her face, she thought I was pretty attractive, too. She hadn't taken her eyes off my naked body and I could clearly see her nipples straining against her black dress. She picked up my towel from the floor and gave me a brisk rub down, till my whole body was

tingling and I was certain my cock was about to explode. Then, still without speaking, she took her feather duster and ran it all over my chest and then teasingly, down lower till it was brushing my throbbing cock. Small spurts of juice were coming out, and she could tell I was about to shoot my load, so she kneeled down and ran her lips all over my shaft and balls until, all too soon, I shot my cum on her face. She licked her lips to reach every drop, before tonguing my shaft clean.

This experience certainly made my holiday, and I'd love to see you brandishing a feather duster in the same way Bettina did! – Adrian, Nottingham
What can I say, Adrian? I shall certainly look into whether I can do a maid spread; I've always had a soft spot for feather dusters – they refresh the parts other cleaners cannot reach!

Dear Andrea,
I know this isn't *Jim'll Fix It*, but I was wondering if it would be possible for you to dress up in a college tutor's type outfit in one of your future request spots. The thought of you in perhaps a tweed twinset and sensible shoes, with your hair in a bun, then gradually stripping off to reveal your wonderful sexy body and lacy lingerie is turning me on so much I can hardly hold my pen to write.

I've always loved the idea of women dressed as tutors since I had my first real crush at the relatively late age of 19. It was on my German tutor, a young woman of about 30 or so, who I thought then was *the* most beautiful woman imaginable. Every day I would live for a sight of her in the college corridor, and I had marvellous wanks thinking about her.

My favourite fantasy at the time was that I'd be sitting at the front of the lecture theatre very early in the morning and I'd be keenly anticipating the German lecture which was to start the day. Almost without knowing, I'd rub my crotch until my prick was good and hard inside my trousers, then I'd take out my stiff tool and start a wonderful slow wank. Then my German tutor would come in and find me masturbating: at first I'd be really embarrassed but she'd just stand there watching till I spurted my come. She'd be so turned on by this, she'd pump her juicy pussy till she came, too.

This tutor must be about 40 now, but I've never forgotten that first crush and I'd love it if you could make it come to life for me in the pages of my favourite men's mag. – Mitch, Abergavenny
I used to have a crush on one of my teachers, too, so your letter brought back some fond memories for me – as well as turning me on a great deal!

Dear Andrea,
The shots of you in Club Vol 17 No 4 are the most penis-drainingly sexy and provocative that I have ever seen. The sight of a woman wearing nothing but an apron bent over a kitchen sink would make me horny any day, but when it is a luscious blonde bombshell like yourself, I go rigid just thinking of the prospect.

What a pity that you didn't do some poses with a vacuum cleaner as well, as this would have been the pinnacle of delight for me. To my mind, there is *nothing* more sensual than a naked woman holding the long hard shaft of the vacuum nozzle in her hand as she forces it back and forth. This would have me shooting my load in tons, and of course you'd be only too happy to clean it up, wearing your rubber gloves.

Thank you, Andrea, for the sexiest pictures I've ever seen! – Bernie, Southampton
I'm really glad you liked those photos, Bernie. They showed me following my normal morning routine around the house, and it's nice that guys fancy me when I'm being so natural, not just when I'm modelling! Love and kisses to you, Bernie. ♣

Well, what would YOU like to see Andrea do? Write to her at Club International, 2 Archer Street, London W1V 7HE and leave the rest to us!

Lay Lady Lay

Many congrats on your superb Vol 17 No 2 edition. I must tell you of a strange and wonderful coincidence. I have been reading men's mags on and off since the early 70s, and the first mag I ever looked at was a copy of *Men Only*, maybe 72 or 73, I can't remember exactly. I was transfixed by one particular beauty in that copy – a gorgeous 17-year-old with the most incredible figure and face to match.

Yesterday, I bought my first ever copy of Club (I *am* rather slow at catching on sometimes) and who should grace the "Lay Lady Lay" story (*Talking Blue*, Vol 17 No 2) but that very same girl, the photos taken from the very same old *Men Only* set. Is it too much to ask for you to reprint the whole set so that we can see her again in all her glory? Even after what must be 15 years, her classic beauty is still captivating.

How about making a regular feature of reprinting vintage sets from the 70s, or even earlier, rekindling more old flames? What do other readers think? – *Harry, Blackburn*

Kinky Kebabs

I recently started an evening job as a waitress in a Greek restaurant to help supplement my income, as I am saving up to visit my sister who now lives in America.

Waitressing itself does not pay much, but I must confess I have been earning a nice bonus by providing extra services! One recipient has been my boss, Stavros. I knew he fancied me and when he suggested staying behind for a drink, I knew he meant a fuck. He started to make a move, so I made it clear it would have to be a purely business arrangement. He soon got the message and gave me £50 out of the till. I soon had his hard cock in my mouth until he was on the point of ejaculation. He bent me over a table, lifted my skirt up and pulled my knickers down. He was soon thrusting into me, and it wasn't long before I felt his spunk flowing into my pussy.

On one occasion a few days later, a customer asked me where the loo was, so I took him there. He suggested I might like to give him a blow job and flashed a couple of £20 notes at me. Naturally, I had his trousers and underpants down in seconds flat and was soon licking and sucking his prick. He must have needed it badly, because his spunk was soon filling my mouth. I couldn't swallow it all so I took the rest over my face, much to his delight.

News of my skills must have spread through the customers, because last night a man propositioned me outside the gents' toilet again. Apparently he was a knicker sniffer freak, so I gave him my scanty white panties to sniff while he wanked himself. He gave me a hundred notes just to bend over the toilet and lift up my skirt while he went on sniffing and feeling my arse cheeks. I looked round and saw spunk gushing from his prick and felt the warmth as it splattered my bum cheeks.

I spent the rest of the evening knickerless, as my panties were pocketed by my rich friend. This proved to be to my advantage, as another customer gave me a ride home – or, rather, I rode *him!* We stopped on the way to my flat, got in the back seat and I sucked his prick until he was hard and then climbed on board. I bobbed up and down enthusiastically until I felt him deposit his spunk into my snatch. Then I shot my load, too, screaming out as I came.

Afterwards, he gave me £50, which I've put into my holiday fund. I'll soon have enough money for my USA visit! – *Melanie, London*

Carry on at this rate and you'll soon have enough money to buy *the USA – Ed.*

Rowena: definitely a girl to spoil rotten

Rowena – Please!

I've just bought Club Vol 17 No 1 (*a bit behind in Europe, eh? – Ed*) and I immediately fell in love with Rowena! I have a "soft spot" for cute

UNCOVERED

***Chris Lloyd** writes about misfits, super marital sex and bullshit. Story of his life, we reckon . . .*

If you think it's unlikely that a middle-aged man, who put on his girlfriend's stockings one night and masturbated himself to new heights of bliss (after she'd stood him up), could transform this experience into the basis for a new theory of evolution, then have a look at The Misfits **(Grafton, £12.95). This is Colin Wilson's study of sexual outsiders, starting with de Sade and Byron and concluding with Lawrence of Arabia and the rise of 20th century sex crime.**

Every man and woman, according to the stocking merchant above, has powerful, unconscious desires to become a member of the opposite sex. This information was obtained while observing the erotic behaviour of the common stickleback. Wilson assaulted the public back in 1958 with early findings that were condensed into *The Outsider* and – with excursions now and then into the paranormal – has been shuffling this deck around ever since. It's good on human weirdness, not so good on argument. Which is a shame.

A while ago, "sexologists" were busy scribbling philosophical justifications for communes, love-ins, freedom of the body, positional sex play and wholesale promiscuity. Hell, the Press even gave it a name, "The Permissive Society". You know the one. Then along came a bad disease. Now the backtracking begins. Marriage used to be restrictive, unnatural – now, it's fucking *super.* Dr Paul Pearsall understands perfectly in Super Marital Sex **(Ebury Press, £12.95) how unblocking a sink or stripping wallpaper can take all the glamour out of a loving relationship. But, if albatrosses can mate for life, then so can we – right, Doc? Or have I missed something?**

Bullshit **(Sphere – £2.50) is just the word that was eluding me during the last review, although it's a book on its own, supported above by "100% Pure" and below by an unreadable signature. Inside, the word "encyclopaedia" is used, before you hit the text which deals with the way in which meanings of language have been decimated by the jargon of greed and deceit – everything from "Have A Nice Day" to "Was It OK For You?" It might interest you to know that while sexual sickness or therapy overtures will, together, set you back a crippling £25.90, a thin slice of self-admitted alphabetical crap moves the decimal point to the left, a tenth of the price. Pay less, learn more.** ♣

brunettes, but this angelic creature is so incredibly sweet and her shy face seems to ask "Will you please me?" I would please her any time, anywhere and as long as she wished! Rowena is the type of girl you'd probably spoil rotten because you'd want her to be happy all of the time. I can just picture myself exploring her whole body gently with my fingers and kisses, caressing her lovely little fanny and massaging the lips of her cunt very softly so she can get a maximum of satisfaction. Then I'd introduce her to the sweet little secrets of love.

I must say that with Rowena, Club really excelled itself and it was a great way to start the New Year. If you continue like this, Club will be the only men's magazine left by the end of the year!

Keep up the good work at Club! – *Steve, Luxembourg*

Pumping Spunk

My husband has been reading your magazine for many years and I also get great pleasure from it. While my husband enjoys the excellent photos, I really enjoy the readers' letters and often find they turn me on, which sometimes leads to us trying things out ourselves.

This was what happened when we read Kent's letter in your Christmas issue; it proved to be a real turn-on. My husband, like Kent, has always been into lingerie (especially petticoats and French knickers), and we often go shopping together to buy new items for our collection.

When we get home, we can't wait to start a session using the new lingerie. I start by telling him to lie spreadeagled and naked on top of the bed. I lay the new petticoat across his stomach so that he can see it clearly, and then I strip myself. He is already erect by now, and his penis waves around gently as I start to put on different petticoats, each in a different colour. As I put each one on, I climb on to the bed and let the lacy hem of the petticoat brush against his penis and start begging him to come over me.

By now, his penis is going purple and pre-come is dribbling down on to the new petticoat. When I am wearing three or four petticoats I finally take his penis in my hand and give him a good wank with a black silk petticoat (which is his favourite to spunk on because it shows his white semen off well). At this stage, though, I do not let him spunk but stop just before he shoots.

When he can stand it no longer, I kneel on top of him head to foot and he puts his head up the skirts of my petticoats and licks my pussy while I toss him off into the black silk petticoat. Sometimes these sessions can last for four or five hours. – *Cheryl, Barnet*

MAZON!

Some movies have titles which leave you in no doubt as to their content. *The Battle of Britain* springs readily to mind, as does *Gandhi*. And *Swedish Au-pairs On A Blow Job Rampage* is reasonably self-explanatory.

Now, there's a new film that's right up there with the best of 'em. Like, who could look at the video jacket for *Amazon Women On The Moon* and honestly say: "Wonder what this is all about, then?"

Anyway, here's your big chance to feast your mince pies on said jacket – and its contents – as often as you want, 'cos we've got ten copies of this brand new release to give away.

All you need to do is study this still from *Amazon Women On The Moon* (reviewed by Allan "Sicko" Bryce on page 16) and come up with a suitably witty caption. Be as filthy as you like, because you've more chance of winning that way. The ten best ones bag the goodies. We'll publish any ones we particularly like, so go to it. ♣

KAY

"The thing about having big tits," mumbles Kay thoughtfully as she runs her tongue around her nipples, "is there's so much you can do *with them . . ." Ah, the delights of sitting in on a photo session. It's only halfway through a really horny shoot that a girl will come out and say things like that: things that make*

the hairs on your balls stand on end.

But Kay, a 19-year-old clerk from Ruislip in Middlesex, reckons there is one other situation where she gets carried away. "I do tend to talk a bit dirty when I'm in bed with a bloke," she says. "That's the only other time when I lose all my inhibitions. If you saw me walking down the street you'd never think I was a naughty girl underneath – I always dress and act very nice *in public. It's only later you might find out the* *truth. I suppose I've given the game away now, though: everyone can see I'm just a raving nymphomaniac really."*

There's one problem with sitting in on photo sessions: it's so hard to stop dribbling.♣

HARDMAN

Dear Rory

***Yes, he's back by (lack of) demand! The agony uncle you've all (not) been asking for makes a (most un-)welcome return to the magazine where he (hadn't) created such an impact first time around. Enter our (least) famous complete and utter bastard,* Rory Gagarin!**

Dear Rory,
What's all this stuff about sex, then?

Dugald D Armistice
BA (Hons) PhD, JP

Rory replies:
Don't ask me, pal. I haven't seen my pecker since 1973.

Dear Rory,
I'm in a bit of a dilemma, and I'd appreciate your help. My wife was having an affair with another man and asked for a divorce so I killed her, shooting her five times through the head and torso.

My problem is that I used an old Luger pistol I brought home from the War with me, and these five bullets were the only ones I had. Do you know of any specialist dealers where I might be able to get some more?

Eric, Orpington

Rory replies:
Look, mate, there's being a bastard and being a bastard. But killing your wife and being worried about the bullets? That really is *being a bastard.*

By the way, I think Killem Firearms of Colchester might be able to help you.

Dear Rory,
My husband only has one testicle, and he gets extremely testy (tee-hee!) when I ask him about it. He storms off in a huff, stroking his little moustache and muttering incomprehensibly about the German homeland. How can I get him to approach his condition more rationally?

Betty, Birkenhead

Rory replies:
I reckon it's best if he just takes his mind off it. Get him to take up an interest – invading Russia, for instance. That makes a most absorbing hobby.

Dear Rory,
I share an office with a Laura Ashley junkie who collects empty Tia Maria miniatures and gives out the office phone number to people she doesn't want to speak to; a whip-wielding dominatrix with 44-inch boobs who plasters the wall with photographs of poofters and who spends 3¾ hours on the phone to people she *does* want to speak to; and a bald alcoholic who talks in such riddles, even *he* doesn't know what he's going on about, and who tries in vain all day to phone someone who wants to speak to *him*.

Any suggestions?

Damien, London

Rory replies:
Yes – be a good boy in future and they won't put you beside such incurables.

Dear Rory,
I really do need your advice on what is an acutely embarrassing problem for me. I suffer from an extremely rare disease (I'm the only sufferer in the world, actually). It is called Arsaboutfaceitis. Basically, this means many of my bodily functions work in reverse.

For example, I feel hungry most of the time but can only eat when I feel full up, which usually happens around lunchtime and supper time. I spend most of the day scratching my head because it isn't itchy. I can't go to football matches because I turn up at the final whistle and they won't let me in. I brush my teeth after I've gone to bed and before I get up in the morning.

Worst of all, though, my condition means that I go around with a huge erection most of the time; when I'm sexually excited, I go as limp as an old lettuce leaf. As such, I can only ever get my end away with horrible old slagbags while thinking about inner-city deprivation or the constitutional crisis in Burkina Faso to help concentrate my mind on something else.

The doctors say there's no cure, Rory. Please tell me differently.

Smith John, Tyne-on-Newcastle

Rory replies:
Okay, if it makes you feel any better. There IS a cure. There, how's that?

Dear Rory,
My problem is that I'm really envious of all those people who can write to you with genuine problems, thus benefiting from your endless reserves of sympathy (which are legendary in the agony aunt/uncle world). You see, I don't *have* any problems.

Geoffrey, Birmingham

Rory replies:
What? You live in Birmingham and you reckon you don't have any problems? You could do with a damn sight more than endless reserves of sympathy, you poor bastard.

Dear Rory,
I'm desperately in love with the girl who lives three doors down from me, as you would be if you saw her: she's 18 with shoulder-length blonde hair, legs up to her ears, liquid blue eyes, firm 36-inch knockers and an arse that's tighter than Clare Rayner's girdle. I've asked her to marry me three times, and, although she's turned me down each time, I just *know* she wants me. What should my next move be?

By the way, I'm 88 next birthday (although I'm always being told I don't look it!).

Albert, Renfrew

Rory replies:
Well, Albert, me old mucker, I decided this case merited further investigation, so I tracked down this young lady to have a few words on your behalf. And I'm afraid the truth of the matter is that the reason she won't marry you is precisely because you do *look 88. "A wizened old shitstick," is how young Alison described you. And, having spied on you as you wanked into the vat of soup at the OAP's luncheon club, I reckon she was being kind.*

By the way, you described Alison very well. But I can add one thing you didn't – and never will – know: she fucks like a rabbit. And before you start fretting, Albert, I did it for you. *No man in his right mind would want to go anywhere near a girl after* I'd *been there.*

Dear Rory,
I work in the City. While I'm too embarrassed to tell you what I actually earn, my daily expense account runs to £5000. I use my Porsche 911 as a daily runabout, keeping my Bugatti for weekends. I own the freehold of a block of luxury flats in Belgravia, although I try to retreat to my castle in Devon when I can (only 45 minutes away in my helicopter, 35 with a following wind). I employ nine accountants to work out the interest on my numbered Swiss bank accounts, and I effectively own 93 per cent of British Telecom, as a result of 27,601 fraudulent applications which the stupid bastards didn't spot.

So why am I still a virgin?

Giles, Belgravia (and Devon, Geneva, Sydney, Los Angeles, Antibes, Halifax, Rio)

Rory replies:
Because you're called Giles, you great twit. ♣

NATALIE

Natalie takes sex very seriously. This isn't entirely surprising, considering her Parisienne upbringing: French girls have always given their sex lives high priority.

PHOTOGRAPHED BY JOHN COPELAND

"Many girls say that sex is not the most important thing in a relationship, but for me it is,*" asserts 23-year-old Natalie. "Sexually speaking, I am not difficult to please, just so long as I can be guaranteed lots of it. The sight of a man's erect prick* never *fails to*

excite me, and I purr like a cat when I clasp my lips around it.

"Foreplay is, of course, very nice and very important, but having a stiff penis deep inside me is what I must always have: there really is nothing to compare with that feeling. I love it!"

And we love you, *Natalie.* ♣

GEMMA

Photographs by Wavelength

We've had a great many letters recently, all giving the same message: you love all *our girl spreads, but the good, old-fashioned, plain and simple bedroom shots are* still *the most*

popular. 'Cos there's nothing like going into a bedroom to find a horny woman waiting and willing, is there?

Which describes Gemma here to a T. The girl with the cutest little quim we've seen in months told us why the shots between the sheets are her favourites: "Really, it's just because when I'm in a bedroom, I think about sex," she said. "After all, that's what I spend most of my time doing in my *bedroom. It certainly shows in my photos! And what I was thinking about there was* definitely *turning me on . . ."* ♣

FIND MY COCK!

Jimmy's dick was his meal ticket - and he wasn't going to let another guy eat his meat...

It was the most unusual case Rachel Decker had seen since the year 2033. The man sitting in her office was none other than Jimmy Sausage, the famous porn star. And he wasn't happy.

"Someone's nicked my cock," he said. "I want you to find it for me."

Rachel choked down the sip of coffee she had just taken and flipped on her tape recorder. "Describe the crime in detail."

Jimmy leaned back into a characteristic wide-legged sprawl. His voice was clipped and angry. "It started two weeks ago. A man came up to me after a shooting session and offered to buy my dick. Naturally, I said no."

"How much did he offer?"

"Twice my weight in gold. He wasn't joking."

"You weren't interested?"

"Money's nice, but I like what I do. If I sold my equipment, my career would be shot to hell. Even if the replacement was a beauty, my fans would never look at me the same way. There's only one Sausage."

So Rachel had heard. "So you turned down the offer. What next?"

"On Saturday night, four big blokes jumped me. I woke up the next morning with a splitting headache and a new dick."

"Why didn't you go to the police?"

Jimmy frowned. "Publicity. If word gets out that I lost the Sausage, my public would take it badly. I came to you because you've got a reputation for total discretion."

Rachel was puzzled. Theft of bodily parts from unwilling donors was common enough in these days of routine transplants, but it was odd for a replacement to be provided. In fact, Jimmy was lucky to be alive.

"May I see the new one?" she asked, gesturing at his crotch.

Jimmy hesitated. Then he shrugged and dropped his trousers.

Rachel squatted down for a close examination. With typical porn star immodesty, Jimmy didn't even jump when she lifted it up to check the suture on the underside. He had no reason to be embarrassed, Rachel thought. It was a nice cock, pleasantly thick. But to be sure, lengthwise it was average.

The transplant job was perfect. He'd obviously been given an Accelerated Healing Treatment; already there was only a slight scar visible.

"There are only a couple of dozen surgeons capable of doing work this good," she declared. "That gives us our first lead."

"It does?"

"If they had you back in your own bed the morning after they captured you, that means they must have done the surgery somewhere in the city. I'll get together a list of surgeons who could have been in the area on the night of the crime. One of them must have co-operated with the thief."

"Sounds good," Jimmy said.

"One more thing. I'll need some pictures of the stolen item, so I'll know it when I find it."

"I thought of that," Jimmy replied, and reached into an attaché case. Along with some photos, he deposited three video casettes on her desk blotter.

"Good luck," he said.

Rachel assigned the job of searching the data banks for qualified transplant specialists to her partner, Peter. "We'll also need a list of all the facilities in the city where a job like that could be done. You can't just slap on a weenie in a dentist's office."

"Good thinking," he said, accepting the docket. In the front was a glossy picture of Jimmy holding his famous namesake. In one corner his measurements were boldly listed, both erect and flaccid. Peter sighed. "Now that's a bloke I wouldn't mind trading places with."

Rachel raised an eyebrow. "I didn't think you were the type to be jealous of a big cock."

"He's not so big. But just look at all the girls he gets to fuck."

Rachel smiled. "Not getting enough?"

"Of course not." He plopped down at the computer terminal. Rachel gave him a squeeze on his shoulder. Poor Peter. He couldn't seem to find the right girl. It was a shame. Rachel had had him a few times; he was a decent lover. She'd have helped him out more often, but she didn't consider it professional to fuck business partners.

"I'll be at home," she said. "Doing research."

Two minutes into the first of the video cassettes, Rachel could see that Jimmy's reputation was well deserved. The Sausage was so huge that every time he got an erection, he probably became light-headed due to the loss of blood to the rest of his body.

The female star was a deep-throat artist. Rachel watched in awe as the Sausage slid in and out of her mouth, first slowly, tauntingly, then further with each stroke, until her lips were lost in his pubic hair. The camera panned downward, displaying the bulge in her neck. Any deeper and the tip would have been burned by her stomach acid.

He came almost casually, pouring his wad across her face and gaping mouth. He was an oozer, not a gusher or a splurter, as if no amount of pressure was sufficient to fling his load up the whole length. He inundated her tongue, the volume of spunk matching the size of his organ.

"Three possibilities," Peter announced the next morning. "Two of them have no alibis."

Rachel stared at the information so hard that Peter began to fidget. "What about the third one?" she asked. "What's his excuse?"

"Out of town."

"Then why is he on the suspect list?"

"He lives here. He's good. And I don't like it when people have alibis handy."

The surgeon in question was named Gregory Nedham. She'd heard of him. Prominent, well-respected, both for his skill and as a community leader. Not only did he practice transplant surgery, but he lectured on the topic at the local university.

Illustration by Jonathon Minshull

"You're right. He's a better doctor than the other two. Our thief could afford the best. Check out his alibi while I study his personal history." She retired to her office.

Peter joined her there shortly. "I contacted the hotel Nedham supposedly stayed at. After he checked in, no one saw him there from early afternoon until late the next morning. He was only an hour away by jet."

"Interesting. What about operating rooms?"

"In this city there's only one place with the proper equipment outside the hospitals, which would have been too conspicuous."

"The university!" she cried. "Would Nedham have had keys to the campus medical research centre?"

"Yes. And it was a Saturday night. That wing of the building is virtually empty over the weekend."

She leaned back and crossed her shapely legs. "I think I'm going to pay Dr Nedham a visit."

The doctor was a handsome, silver-haired, well-groomed man in his early 50s – and he was not easily intimidated.

"That's preposterous," he told Rachel after she had boldly outlined her suspicions.

"You've come into quite a bit of extra money lately," she said. "I'm sure the police would be interested to know where you got it. Really, doctor, this can all be settled quite easily. I don't want you; I want the man who hired you."

Nedham stared back at her coldly. "You've no proof, Ms Decker. If you want to go to the police, fine. In the meantime, stop bothering me." He gestured toward the door.

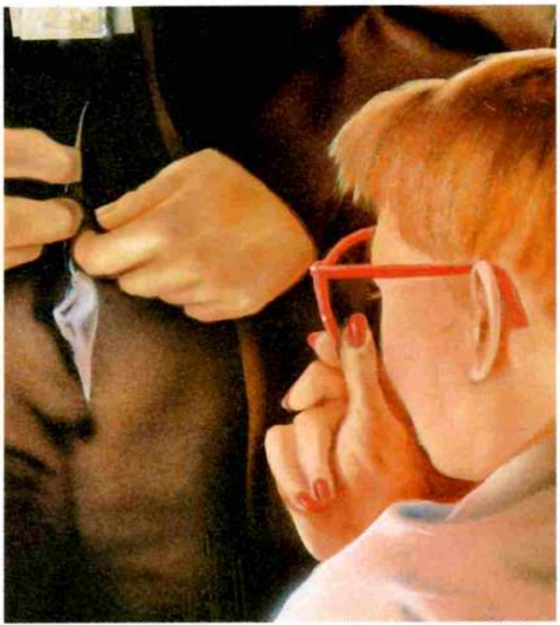
She tapped the toe of her shoes against his imported rug, spun, and left. So much for a direct confrontation. She'd have to try a little professional persuasion.

The next day, Rachel slipped into the rear of a huge lecture hall at the university, unnoticed among the crowd of some 400 students. The room was dim, illuminated mainly by the images cast by a digital projector. Nedham was at the podium, just beginning his presentation.

The lecture was clipped, precise, and smooth, obviously the result of repetition and a thorough familiarity with the subject. All was normal until the tenth image was projected.

Instead of a picture of a newly-improved laser scalpel, it was a scene from Jimmy Sausage's latest film. His cock stretched across the screen, purple veins bulging, thick cream spooling out across an actress's yawning cunt.

The audience began to gasp, guffaw, and point.



Nedham, oblivious, continued to describe the advantages of the tool, until the howls of the young men in the front row made him turn and look at the screen. Flabbergasted, he dropped the remote switch that would have let him advance to the next image. He groped frantically, trying to find it on the floor, thwarted by the dim light. Meanwhile, the students began to clap and cheer.

Rachel smiled and slipped out of the hall.

That very afternoon, while Dr Nedham was trying to regain his composure, a beautifully-wrapped package arrived for Mrs Nedham. She thanked the delivery man, set the box on her antique corner table, and opened the tiny envelope. The note read: "Something you've been asking for," and was signed by her husband, though his handwriting appeared rushed. She giggled like a ten-year-old and tore off the wrapping paper.

The outside of the box read: "The Official Jimmy Sausage Dildo – They Don't Come Any Bigger", and inside was more latex rubber than Mrs Nedham had ever seen in one piece. Gone was the giggle, replaced by teeth clenched so tightly they threatened to crack.

Rachel was at the office the next morning, carefully examining the computer-generated photographs on her desk. It had been simple enough to feed in actual pictures of Dr Nedham and Mrs Nedham's best friend, and scramble them to come up with a thoroughly lifelike image of the two of them in bed together, in what could never be called the missionary position.

Rachel grinned. The rictus of determination on the doctor's face was rather comical. She'd had a lover like that – every time he came, he looked as if someone were ripping his toenails off at the roots.

She dropped the picture, and others like it, into an envelope addressed to Mrs Nedham. She was sealing it when Peter announced over the intercom that they had a visitor. She had scarcely put the envelope in a drawer when Dr Nedham burst through the doorway.

"This harassment has got to stop," he growled.

"What harassment?" she asked demurely.

"You know full bloody well what I'm talking about," he shouted. "My wife nearly castrated me last night!"

She casually nibbled the end of her pencil. "If you think I've been harassing you, why don't you go to the police?"

"You know why," he snapped, then he gathered his composure. "But if I'm right, you can't go to them, either."

"Maybe not," Rachel admitted. "So where does that leave us? Really, doctor, my demands aren't unreasonable. Tell me who hired you and you'll be amazed how fast I get out of your life."

"Even if I'm an accessory to a crime?"

"I'm sure something can be worked out."

Nedham paced the length of Rachel's office two times, lips pursed. He sighed. "Does the name John Howard mean anything to you?"

He had no reason to be embarrassed, Rachel thought. It was a nice cock . . .

"The Hampshire billionaire?" Rachel asked, jaw dropping. This was awful. She'd never nail a man who could hire a hundred lawyers.

"That's the one," Nedham said. "He's a nice man, really. He just likes to have the biggest, you know? The biggest bathroom, the biggest car . . ."

"And the biggest cock?"

"Yes. He felt truly bad about having to steal Jimmy's. But he had to have it. It's the biggest he'd ever heard of."

Rachel nearly fell out of her chair. There was the answer. "Doctor," she said, "it's *not* the biggest!"

A few days later Jimmy Sausage stopped by to offer Rachel his congratulations. "Brilliant job," he said, kissing the back of her hand. "You can be my private dick any time."

"Actually," she said, "I was thinking of retiring on the finder's fee Mr Howard gave me."

"Oh, don't do that. The business wouldn't be the same without you."

"True," she said smugly. "So – everything working out okay with the equipment?" She batted her eyelashes at his crotch.

"Good as new," he declared. "Care to check it out for yourself?"

"No thanks," she said. "It's a bit used."

"Your loss." As he headed for the door, he paused. "You know, I never thought one bigger than mine would ever turn up. Hope Howard likes it. It isn't all a bed of roses, you know. I can't tell you how many girls I've scared off as soon as I dropped my trousers. That's why I took up porn."

"I'm sure he has enough money to find women able to meet the challenge," Rachel said. Jimmy nodded wisely, winked, and was gone.

A bit later, Peter arrived at the office. At first, he kept to his office, pretending to be busy. Finally Rachel tracked him down.

"Well?"

"Well, what?"

"How do you feel? Any problems with the surgery?"

"No. Feels just fine. Trousers fit a bit differently, though."

"I'll bet." Rachel had known Peter long enough to know he was keeping something back. "Are you sure you aren't worried about something? Second thoughts about giving it up, in spite of all that money?"

"Hell, no," he said emphatically. "It was a good trade. Jimmy was a fool not to go for it. It's just . . ."

"Just what?"

He blushed. "I was just wondering if it'll work right."

"Oh, *that*." Rachel smiled. "Well, if that's what's worrying you, why don't we just find out?"

"Right *here*?"

"Yes," she said sultrily. She padded over to him like a cat, ran her fingers up his lapel, and unbuttoned his collar. "Here on the floor."

"You used to say it wasn't professional to do it with me."

Now it was her turn to be embarrassed. "Actually, Peter," she said in a low voice, "it was that big cock. It turned me off."

"But I tried to be gentle."

In 21 years Dateline introductions have been the start of many, many thousands of Love Stories…

Some of these 'Love Stories' you will have read in our advertisments, but a new book, 'All You Need is Love', published by Sphere, fully illustrates Dateline's role as a modern matchmaker through many more true stories of people who were looking for someone special to share their lives, and were happily, amusingly surprisingly matched by Dateline.

Many tens of thousands of people of all ages and occupations, from all over the country, join Dateline every year looking for someone to love. They want to meet someone with the same hopes, ambitions and interests as themselves, and are simply not meeting them socially or at work. Dateline opens up a whole new world of compatible people; people who could be living very close to you, but who, without Dateline, you might never meet.

'Are you being serious?'

Was Lorraine's answer to Gary when he went down on one knee to propose in the middle of a nightclub. It was only three weeks after their first meeting, but she did say 'yes!' Oddly enough Gary had been a member of Dateline almost a year when Lorraine's name appeared on his list, but his name had been given to her six months before, and she hadn't bothered to contact him as quite a number of young men were already phoning her. Very little time elapsed before they found they were compatible and happy together, and a year after that impulsive proposal, they were married.

You too can find love

FIONA

PHOTOGRAPHS BY DENYS DEFRANCESCO

Ever had that Sunday afternoon feeling of oh-no-I've-got-to-wash-the-car-again? Bet you wouldn't if you had a car like this. Or a girl like Fiona spreading her legs all over its bonnet, either.

The car actually belongs to Fiona's boyfriend, and there's nothing she likes better than to give it a good hose down every weekend outside their flash Guernsey villa. And then to give herself one, too.

"Somehow, I always end up wetter than the car," said our

18-year-old as she rubbed that sponge into some very *interesting places. "The feeling of lots of warm water cascading all over my body really gives me a huge thrill. I love to feel it dripping off my nipples and running down between my thighs – it gets my snatch wet in more ways than one!"*

But what about that outfit?

"Well, my boyfriend always gets a big hard-on seeing my bare tits under all that water, and as for squelching around in my rubber boots, well, that's another story . . ." Which she'll tell us next weekend, no doubt. ♣

KNOBBIN' ROBIN

My name is Hazel, I'm 19 years old, my figure is 34-22-32, and I have light brown hair. I've got a job now, as a filing clerk, and share one floor of a large house with Robin and Sandra. I'm unmarried, but I've recently been sexually awakened. This all started when Robin celebrated his 18th birthday. He's a quiet lad, a bit shy and doesn't mix easily. His parents live abroad, and his share of the rent is paid for him by them on a bank's standing order. He's had a sheltered upbringing, as I have, although in my case, I've come out of my shell a lot since beginning at a very exclusive school for girls.

Over the past few months, Robin had developed a habit of bursting in on me when I'm undressing or undressed. I accepted it as accidental when he caught me in the bath, because the lock isn't too good, and didn't even think much about it when he wandered into my bedroom without knocking. But I saw where his eyes were looking and, later on, I noticed him sneaking looks up my legs whenever I sat opposite him. I should have been angry, but secretly I felt flattered and even encouraged him in small ways.

I told Sandra about it last week. "Randy little sod," she commented. "He needs to be taught a lesson." So between us we hatched a plot to give him a birthday present he wouldn't easily forget. Sandra's the same age as me, and she loves talking about sex. She buys lots of sexy books, which is how I get to read them. Several men have had their way with her, but for myself, up until this incident, I was still a virgin. Lots of guys have had my tits out and some of them have got their fingers inside my knickers, so I'm no Miss Innocent.

The day after Robin's birthday, Sandra and I threw a little party for him, candles on the cake and that sort of thing. Robin's always been wary of Sandra, but as it was inside the flat, he could scarcely avoid us. A good half-hour of talking, drinking and playing records passed before Sandra made her move. Quite directly, she asked: "Why are you always trying to look up Hazel's skirt? She's told me about it. Have you managed to get a good look yet?"

Poor Robin was speechless. His face was deeply flushed, "Tell me this, then," she went on. "Have you ever had a close-up look between a girl's legs, the real thing? You'd have a fit if you saw inside someone's knickers, wouldn't you? Come on, admit it. Have you ever seen a girl's quim?"

Staggered by the candour of Sandra's sexy talk, Robin could only shake his head slowly, his tongue flicking out over his dry lips. "OK, then," said Sandra, "I'm going to give you the chance. Come over here and sit down." She was beginning to enjoy herself, that was obvious. Robin obeyed her as if in a dream. Once he was in position, she hitched up her tightish skirt to her waist and quickly peeled down her tights. Then she sat back in the chair, her legs either side of Robin as he sat on the floor. She was wearing tight red knickers and I couldn't help but notice a damp patch where the thin material failed to hide the lips of her slit.

Robin's eyes were absolutely riveted to that spot, the plump vee between Sandra's splayed legs. "All you have to do," she encouraged him, "is to take my knickers down and you'll see everything I've got." Now this was the point where we both expected him to take fright, but there was more to him than we'd bargained for. Breathing heavily but still not saying a word, he leaned forward and hooked his fingers into the side of her knickers. Surprise passed across her face, but she closed her legs to allow him to draw them down her thighs, past her knees and finally over her feet. Then she settled back in the chair and opened her legs again, wider and wider until every little detail of her slit was exposed.

It really was quite beautiful, a small forest of dark, curly hair and heavy lips that glistened with her juices, with a tiny knob of dark red flesh at the top of the slit itself. Reaching down, Sandra trailed a finger up and down her slit, then gently pulled the lips apart, holding her cunt open so that Robin could see deep into her gash. Her voice was hoarse and shaking when she whispered: "You like it, don't you, Robin? You like my cunt. You can feel me if you want. You'd like to finger me, wouldn't you?"

Again Robin reached out and apprehensively, he slipped one finger straight into the sticky gash that Sandra still held wide open for him. Deeper and deeper he probed into her cunt. "Use two fingers," Sandra urged him, and Robin obeyed. It was too much for me to take. Seated in another chair near Sandra, I couldn't stop myself from pulling up my skirt and, spreading my legs, thrusting a hand inside my knickers. I sank two fingers deeply into my hot, throbbing cunt and fingered myself to one mini-orgasm until I was soaking in that area.

Robin didn't see me wanking myself into a frenzy. He was too engrossed, watching his own fingers moving into and out of Sandra's fluid slit, and he barely hesitated when Sandra urged him to more kinky delights. "Kiss it for me, Robin," she moaned. "Lick my cunt. Put your tongue up me and lick me out. Taste me, Robin." So he dipped his head just as she removed her hands from her quim, and once he got the taste, he forced his tongue right inside her, lapping furiously.

Sandra was in ecstasy as Robin increased his rhythm, and she heightened her pleasure by pulling up her sweater, unclipping her bra and playing roughly with her tits. She rolled the nipples between finger and thumb, pinching and tweaking and pulling until they both stood right out, red and throbbing. It was the first time I'd ever seen another girl play with herself, and I couldn't believe it.

Sandra continued to grind her sopping cunt into Robin's face, while I kept my own finger fucking my slit, until both of us had come at least half a dozen times. Then, quite abruptly, she pushed Robin on to his back, kneeling beside him. She ripped open his trousers, pulled out his erect prick and wanked him furiously. In less than a minute, Robin jetted his spunk. But, if I thought that was it, I was mistaken.

I suppose I had a vague idea what she was up to when she turned Robin's face towards me, with my skirt right up to expose my pink, stretchy cotton knickers. His eyes were popping. "Is that what you want to see when you look up Hazel's legs?" As his prick started to get harder again, Sandra turned her attention to me. "And who's been a sexy little bitch, then? Who's got sticky knickers? Naughty, naughty. You can't wear soaking knicks like that, Hazel. Take them off her, Robin."

She picked up my soaking knickers and held the gusset an inch or so from Robin's face, permitting him to sniff them, while I allowed my legs to drift wider apart. My eyes were transfixed to Sandra's hand as she started to wank Robin again, preparing him to fuck me. "You'll love Hazel's cunt, Robin," she murmured. "She plays with herself ever such a lot and makes all her knickers so wet and sticky, but she wants your cock now. Can't you see that?"

With that, Robin propelled himself forward until first his head was between my legs, licking me like he did to Sandra, and then shifting upwards so our faces were level and his cock was poised at the entrance to my cunt. Actually breaking my hymen was a formality which didn't even occur to me in the normal way. Probably I had done the deed myself, wanking, so it didn't hurt in the slightest when he pushed himself inside me. I think he was about to come inside me, but Sandra wasn't having that.

"Out you get, randy sod that you are," she said to him, yanking him back by the shoulders, and grabbing his cock by the stem. "Hazel and I want to see your spunk. She wants it all over her body, don't you, Haze?" I nodded and just then a torrent of white, sticky spunk erupted from the eye of his prick and spurted over my tits and belly. Watching Robin come had made Sandra come again, and me also. As soon as Robin had withdrawn, I was unable to stop my finger rubbing my slit until I felt ripples of pleasure sweep over me.

So we all drank coffee and made small talk, a ludicrous state of affairs when you think what we'd just done together. After a while, I headed for the bathroom to run myself a hot bath. Robin came after me and stopped me at the door. "Hazel," he said, "you really are beautiful between your legs, much prettier than Sandra," and then he quickly turned into his own bedroom. Sandra and I are planning another evening's entertainment for the three of us, and I've told her that I want to see him fuck her this time, and she's agreed. – *Hazel, Hertfordshire*

Holiday Blues

Lust in the Lakes

This time last year, I was having the time of my life – though as I'd just been dumped by my long-term lover, you'd hardly believe it!

Just before Easter, my boyfriend Trevor had confessed he was having an affair with someone he worked with. I can tell you, it wasn't flattering to be dumped for a younger woman, and after three years of having the same cock between my legs week after week, doing the same old thing, I just wanted a change. And I also wanted to get back at Trevor . . . by shagging anyone I could get my hands on!

Not that our sex life had ever been up to much. It's not that Trevor wasn't keen, but it was always over so quickly: Trev doing a few short thrusts after a couple of minutes fiddling with my nipples and clit, and that'd be it. I was really looking forward to meeting a few men and having some good long screws after all this time.

So I decided to take myself off for a week's break with a difference; I've always loved cycling, so I splashed out my savings on a really posh new touring bike, and armed with a map of the Lake District, my tent and all my camping basics in a rucksack, I was off.

The thought of having myself and no one else to think about was heady, and the sensation of the hard saddle between my legs, pressing right into my pussy, was even better. My cunt was constantly tingling. The first couple of nights, when I'd picked somewhere to camp, I could barely wait to pitch my tent before tearing off my shorts to bring myself off. Once, I was so desperate, I was reduced to pumping away behind a tree because I couldn't even wait that long.

"I know I'm going to have to get fucked pretty soon," I told myself as I lay in bed that night stroking my clit

and licking a nipple. And the very next day, I certainly struck lucky with a vengeance!

Until then I'd just been camping out in fields, but I was getting a bit bored of being on my own, so that night I rode into the first proper camp site I came across. It looked fairly quiet, and the thought of a proper shower was tempting, so I stopped to pitch my tent. Pretty soon, I'd got talking to the young couple in the next tent, and the upshot of this was that we all went out for a meal in the village that evening.

I hadn't had such a good laugh in ages, and Jane and Vince were so open and friendly that I soon forgot all my bitterness about Trevor. After the meal, fortified with a large stock of booze from the local offie, we went back to the camp.

Jane invited me to their tent, and over several bottles of wine, we all got very gossipy and friendly. Jane and Vince openly discussed their active sex life, and I poured out everything about Trevor, and how I was desperate for a fuck. Looking at the couple, I suddenly felt very envious. Vince was a gorgeous, big, blond man and I found myself wondering about the size of his prick. I had a feeling it must be pretty large from the slightly raised bump in his crotch! Jane had curly, auburn hair and large tits; her nipples were erect even now, and I could tell our frank conversation was turning her on. It was giving me the hots, too, and I decided to leave them to it.

"I'm going to have to buy myself another vibrator soon!" I joked drunkenly, as I tottered out of their tent.

I was feeling really randy and ready for a wank as I undressed, and I reflected that Jane would most likely be getting a really good going-over now. I could hear suspicious noises coming from their tent as I stripped off my undies.

I lay down and started to rub my clit as I listened to the sound effects. Jane was moaning loudly, and Vince was saying really dirty things to her as they panted towards a climax. My hand was wet and I realized my juices were pouring from my fanny: I quickly inserted two fingers and started to pump frantically inside my pussy. As I heard Jane scream out that she was coming, I came in floods all over my sleeping bag.

It was the best orgasm I'd had in ages and afterwards I was still feeling randy at the thought of Jane and Vince going to it. I could hear them

talking in their tent, so I crept outside in my T-shirt and peeped through their tent flap.

Jane was lying on a mattress in the middle of their four-man, with her legs wrapped round Vince's back, while he was licking his own cum from between her tits.

She'd obviously just given him a tit fuck, and even now I could see he had another hard-on.

Suddenly, Jane looked right at me and I stepped back in horror. But she didn't look annoyed; in fact, she looked quite pleased that I'd watched their little display. Vince turned round, then casually invited me in to watch as Jane slid down his body to suck on his throbbing cock.

I couldn't take my eyes off the sight as Jane gobbled Vince. She'd slowly take his entire length into her mouth, then draw it out again, leaving a sheen of saliva all the way down the shaft. Vince was lying on his back fondling her tits as she sucked him off and tickled his balls.

The sight of this was making my cunt tingle all over again, and I couldn't help slipping my hand between my legs to feel my juices dampening the tops of my thighs.

Jane looked back over her shoulder. "Want to join in?" she grinned. She could see my love juice starting to trickle down my legs, and before I knew it, I was on the mattress with them, sucking Vince's prick as Jane watched. His cock was twitching away by now, and I could tell he was about to come.

"Spunk on her tits!" Jane ordered, fingering herself as she watched.

Vince whipped his prick out of my mouth, and I gripped his head as he thrust it between my tits. Almost straight away, a thick, hot gout of spunk shot over my tits and throat. I gasped an orgasm as Vince collapsed on top of me.

The hot jizz he'd sprayed was running down my stomach and Jane kneeled down to start to lick it off as Vince lapped the juice from my pussy. The feeling of two mouths on my body, licking and sucking me, was fantastic and I could feel another climax brewing.

Gradually, I realized Vince had taken his tongue out of my cunt and was standing over us, watching as Jane continued to lick my body. She worked her mouth up to mine and started to tongue-kiss me, a sloppy, wet, spunk-tasting, delicious kiss. It was the first time I'd been kissed like that by a woman, but it wasn't going to be the last, I decided. Her moist tongue was reaching into all the corners of my mouth, and I could feel her fingers inching their way down to my snatch.

Normally, the thought of making love to another woman would have horrified me, and I wondered how Trevor would react if he could see me now, my legs spreadeagled, propped up on my elbows, looking down my stomach as Jane's auburn head worked its way down with her tongue towards my fanny.

I shuddered with pleasure as her hot tongue found and caressed my clit. The mattress was soaking with both our juices as she thrust her tongue as far up my hole as it would go. My legs bucked, my head thrashed from side to side as Jane thrust faster and taster, until we finally collapsed in a cum-sodden heap.

There was a strangled moan from Vince, and we both looked round to see him crouched on his haunches, grasping his prick in both hands as more creamy white jizz gushed out and dripped on to the groundsheet. What a night! All three of us were completely drained, and I went back to my tent that night feeling more satisfied than I had in ages.

The next day, I thought things might be a little strained between us: we'd all been pretty carried away in the heat of the moment, and I wasn't sure how Jane and Vince would react that morning. But things couldn't have been better! They openly discussed the previous night's sexual activities, and invited me to finish my week's touring with them. Of course, I was only too happy, and that day we set off for Windermere.

We pitched our tents in a secluded spot by the lakeside – we definitely didn't want any intruders to find us *that* evening. All day, I'd been getting more and more turned on by the sight of both pairs of bum cheeks riding ahead of me and the feel of the saddle hard against my cunt, and when they stocked up with party packs of lager, I knew we were in for a good night.

We gossiped for ages, and after I'd told them more of the gory details about my split with Trevor, Jane confided she and Vince had often taken part in three-in-a-bed sessions. It helped their sex life, she said, and stopped them from getting bored with each other. Then she suddenly asked:

"When was the last time you had a good, thick cock between your legs, then?" When I told her it was at least two months, she smiled, before reaching across to draw Vince's zip down over his loaded crotch. "Try this one for size then," she grinned.

Vince's cock wasn't all that long, but it was very thick, and I was bursting to have it filling my hole and stretching my pussy walls to their limits. I walked over and pulled down his jeans, running my tongue up and down his shaft as he kneaded my boobs and tweaked my stiff nipples.

The way I'd been getting turned on all day, I knew I couldn't wait very long for that prick to be inside me, so I tried to wriggle quickly out of my shorts. Jane helped by pulling them down as Vince continued to knead and suck my nipples. I just about had time to drop my panties before his knob pushed into my boiling fanny.

Jane had got out her camera and was busy clicking away as Vince thrust in and out on top of me. The feeling of his cock thrusting inside me was wonderful – and it seemed to last for *ever*. Just as I thought he'd never come, the salty smell of spunk filled the tent as Vince came his load, and I screamed my own orgasm.

This was honestly the best holiday of my life – and it's not the end of the story, either. Since then, I've been up to stay with Jane and Vince at their home in Sheffield, and we've had *extremely* pleasurable repeat performances of our camping antics. Probably the best part was a slide show of the pics we'd taken over the week, and not many of them were scenic views, I can tell you. The sight of Vince fucking me, and then some more shots of Jane and I sucking each other's pussies, had us all so randy we couldn't wait to try it all out again! – *Jill, Newmarket*

"You were. That was the problem – I like it when a man loses control."

She lifted her lips to his. At first, he responded tentatively, keeping his tongue withdrawn. Then he put both hands around her back and squeezed her fiercely, uniting their mouths. He tasted warm and salty; his body against her breasts was firm and masculine. By the time he let go, she was breathless.

"My!" she murmured. He'd been holding that one back a long time. She ran her hand down his front and found the bulge in his trousers. She tugged at his flies. Out popped a raging erection, stiff and straight up like a good soldier standing to attention. The same cock she had seen on Jimmy Sausage. The cock that had originally belonged to John Howard.

"That's what's nice about little ones," she said merrily. "They get so much *harder*."

He moaned as she wrapped her hand around the shaft and stroked. "Lie down," she whispered. He didn't hesitate this time. He stretched out on his back on the plush carpet.

She'd intended to take her time, but she wanted him too badly. She tugged his trousers and boxer shorts off, removed her panties, lifted her skirt, and impaled herself.

"Oh!" she said. "Oh, Peter. Fuck me hard!"

He obliged. She rode him like a bucking bronco, pounding her arse against his thighs. He hammered her from below. One minute, two, three – they didn't pause. Rachel's boobs flew high into the air.

"I can't hold back!" he moaned. Suddenly he was coming – a thunderous orgasm that nearly bucked her off with each squirt. She felt the hot gush in her box and instantly, without warning, she was coming, too.

"Oh, Jesus!" she cried. It was as if her clit had been wired to the electrical circuitry. She shuddered, clenching her thighs for one long, delicious moment, nurturing every last throb of the current.

"High voltage," she gasped.

"It's never been like that," he said, after their muscles had come out of spasm and they had settled back to the floor, both still clothed.

"Exactly," Rachel whispered, almost too breathless to get a word out. She pressed down on his still-rigid cock. What a perfect fit he was.

"I'll be able to get all kinds of dates now," he said.

Rachel straightened up. "That's what you think," she replied.

> ***She tugged at his flies. Out popped a raging erection, stiff and straight up like a good soldier standing to attention.***

"But – we're business partners."

"So if we fuck, who's to know? It's our concern. Maybe I've been a little too concerned with professionalism."

He looked into her eyes and laughed.

The juices of love were starting to dribble out of her, and their sensuous tickle was arousing her all over again. A quickie had been an excellent start, but now . . .

"Tell me, partner," she teased, "are you doing anything special tonight?" ♣

CLUB EVENT at the Raymond Revuebar

There's one place in London where you can be sure of finding top class erotic entertainment. (Well, two actually, but we'll leave the Production Editor's flat out of this). And that place has now been running for three decades!

Yes, the world-famous Raymond Revuebar has just celebrated its 30th birthday. It was born on April 21st 1958, and ever since then the world's most gorgeous girls have been wriggling their way across the stage. Over five million guests have seen this feast of trembling thighs, vibrating breasts and bare, bonkable buttocks.

Originally the Revuebar was strictly a Members Only club, but these days you can just wander in any time you want to see some fancy legwork.

THE FESTIVAL OF EROTICA

The obvious way to celebrate was to print plenty of pics of those ladies doing what they do best – looking gorgeous. The only thing we can't show you here is *how these girls move*: they're expert dancers all, and those routines are groin-busting. If you've never been, you'll just have to shake the page around a little to get the idea.

If you want to take our advice and visit the Raymond Revuebar, the address is Walkers Court, Brewer Street, London W1. Telephone 01-734 1593.

Better still, you might like to nip down to Walkers Court and take in the show yourself. You'll be following in some very famous footsteps: guests have included Peter Sellers, David Niven, Joe Louis, Benny Hill, the Sultan of Jahore, and even Judy Garland. Impressive, eh?

So what about the next 30 years? We asked the guvnor (Paul Raymond to you) what wild schemes he had up his sleeve. The answer was short but sweet:

"I hope they'll be as successful as the first 30 years."

If these pictures are anything to go by, they will be . . . ♣

UNCENSORED IMPORTED SCAN TITLES

"You cannot understand what they are saying, but you can sure see what they are doing."

Not only can you buy these sex video titles at rock bottom prices, but you also get genuine uncensored hard-core titles.

The reason is simple, imported foreign language titles do not, as yet, require certification. Prompting one of our managers to say "You cannot understand what they are saying, but you can sure see what they are doing."

We have stacks of these video titles in stock and as they will have to be certificated fairly soon we are looking to clear our stocks now.

LOW PRICES

Because of the low prices and the high cost of packaging and despatch, we ask only that you buy a minimum of 4 titles as the groups listed.

FV/17 — ALL 4 VIDEO TITLES REDUCED TO £11.95

THE SECRETARY. The bi-sexual temp has the office hot and horny as she gets it over the typewriter, is molested in the lift and fornicates with the girls in the broom cupboard.

THE VISIT. A young family friend visits and he's randy. She does not object and soon he has her boobs out, then she's naked and they are at it all over the house.

LADIES AFTERNOON. Three ladies meet for afternoon coffee and lesbian fun. See the excitement as they get to grips with each others bodies.

THE INTERVIEW. A job with this man means more than typing. Each applicant is stripped and splayed in turn. He then sends them to his secretary in the next office for horny two girl action.

FV/18 — ALL 4 VIDEO TITLES PRICE SLASHED TO £11.95

PHOTOGRAPH. John takes lots of hard-core pictures of his wife playing with herself and sends them to a girlie magazine. Instead, of publishing them the Editor rushes round and gives her one.

LADY IN BLACK. Dressed in black leather, she watches her friend and husband at it while she plays with a big black dildo.

THREE GIRLS. Three girls egg each other on to chat up the window cleaner. One does, but she can't take all he can give her so she calls for her friends to help.

FRIENDS. Two friends both have the same girl. Then they both have her sister. One of the friends has the girls' mother in the kitchen. Then the mother's younger sister walks in . . .

FV/19 — ALL 4 VIDEO TITLES DOWN IN PRICE TO £11.95

THE PARTY. John and Alice hold a wife swapping party. However, another wife fancies Alice who is quite happy to oblige. Fortunately there is a spare girl for John.

HANDS. Jenny enjoys a sauna and body massage, but today only the handyman, with his rough, coarse hands, is available. Soon Jenny is groaning with pleasure as these rough hands find the sensitive parts.

HOUSE IN THE COUNTRY. A lecherous couple set up a training school for nurses. Biology soon turns into a bi-sexual orgy, as everyone fights to join in.

THE MIRROR. With two-way mirrors, the madame watches her girls getting it from any manner of male and female customers. At the end of the day she chooses one of the girls for her own kinky lust.

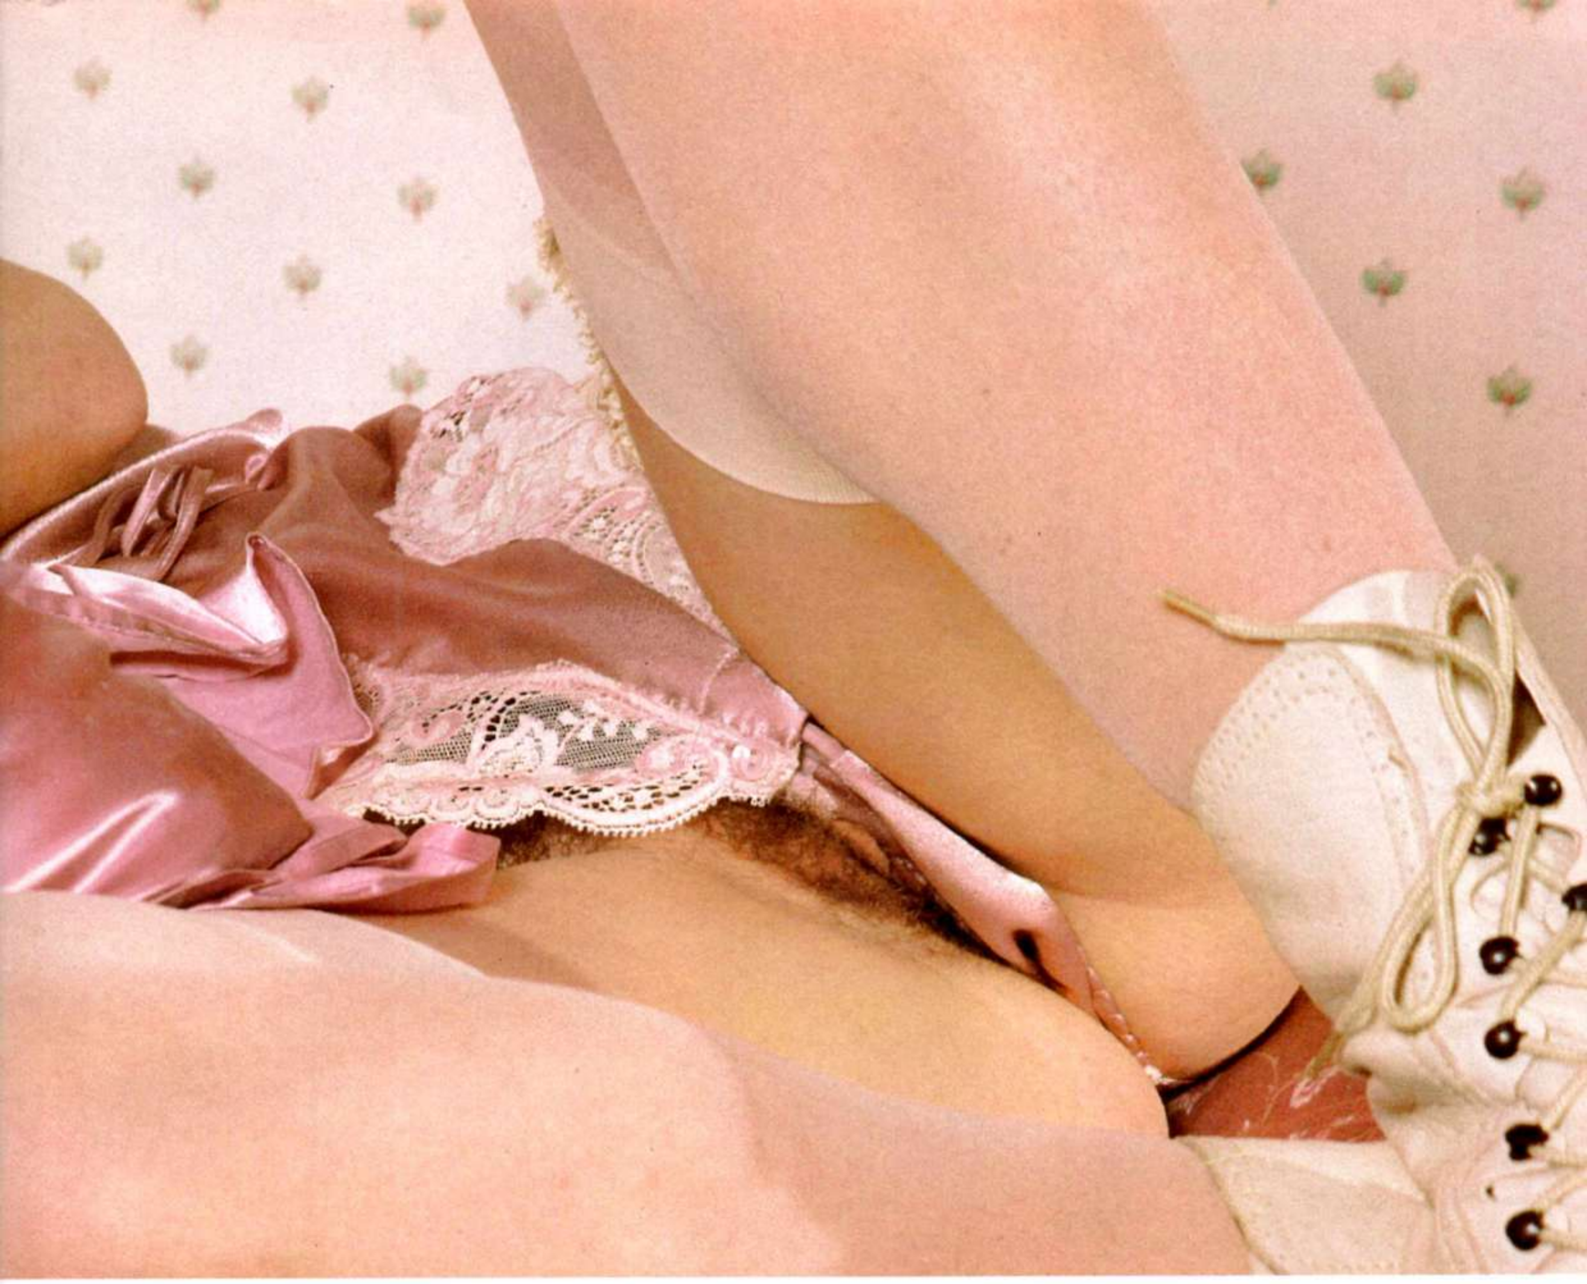
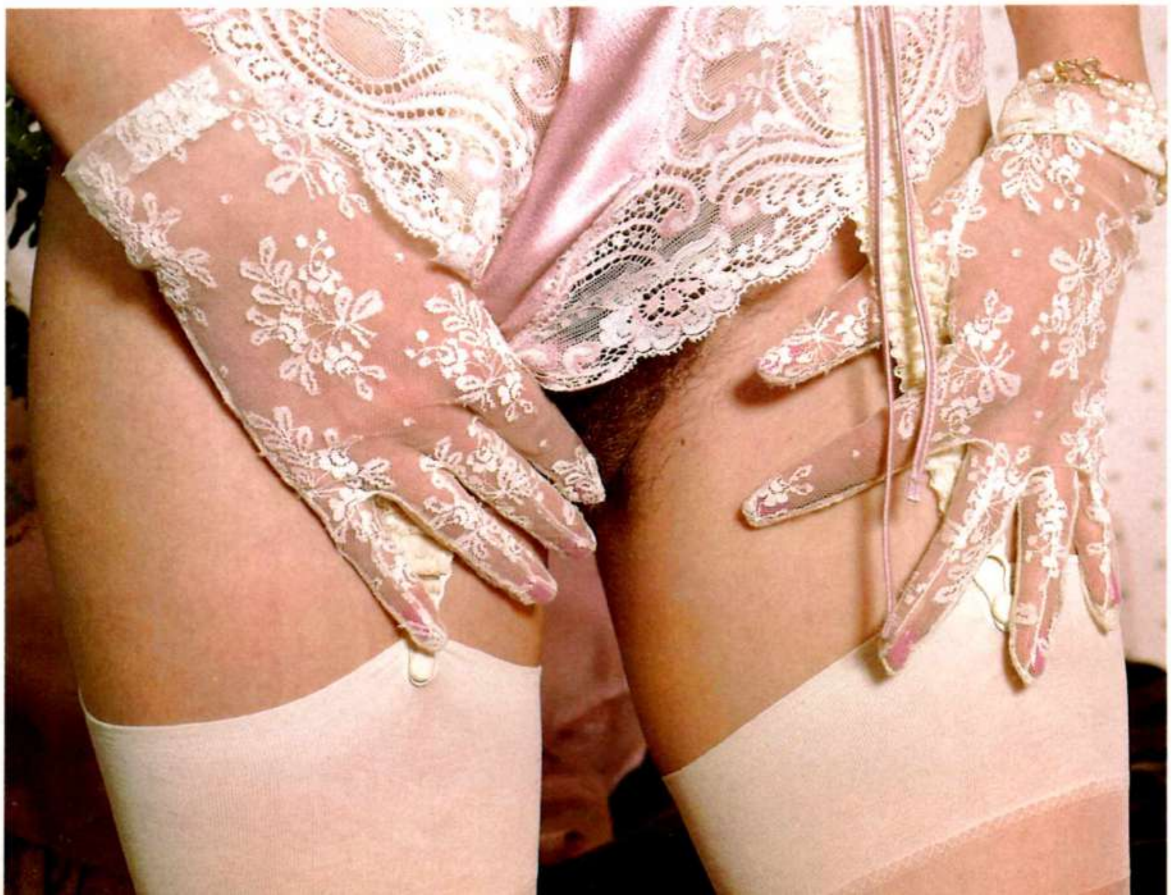
ROSIE

Photographs by Dwight Fox

If mere photographs of Rosie are enough to take the breath away (and they had all of us scrambling for the nearest oxygen mask), actually seeing this formidable floozie in the (rather impressive) flesh is quite something else.





Well, what else can you say about a girl who stands six feet and half-an-inch in her bare feet? (How about: "This girl's a fucking shagbag"? – Ed).

And does Rosie's warrior queen-like

physique mean she limits herself to men of a similar stature?

"No way. Someone who stands knee-high to a gnat could be concealing an eight-inch throbber. And as I have a thing about big cocks, height doesn't really enter into it."

Yeah, but enter into what *. . . ?* ♣

coming in club

DON'T DROP YOUR STANDARDS!

Drop your knickers instead. At least, that's what gonad-splittingly-beautiful Sophie here says.

By a weird coincidence, that's just what Sophie's doing in next month's Club International.

And over 40 other girls will be doing exactly the same thing. Must be the hot weather, I suppose.

So don't drop your standards. Buy Club International, and we'll drop 'em for you.

another mess just as Cath had cleared me up, I took Dave's cock into my mouth and offered Jerry to Cath. She eagerly accepted and I saw his cock slip into Cath's mouth literally right before my eyes. Cath's body felt so warm and soft as she pressed down on me. Her big boobs squashed between us, as she pushed her shapely right thigh against my dripping cunt.

As Cath opened my cunt lips with her thigh, I lifted my right thigh up into her crotch. She was soaking wet, and her cunt juice was running down her lovely thighs; of course, she hadn't come yet. We wanked and sucked on the boys' cocks, grinding our cunts and thighs together, until finally we all exploded in the most amazing orgasm you can imagine.

The boys had hardly stopped pumping when Cath and I discarded them and joined together in an amazing sloppy, spunky kiss. This was the first time I'd kissed a girl in a sexual way, and it was great. Our tongues probed each other's mouths as we transferred spunk backwards and forwards, trying not to spill a drop. We kissed and cuddled for a while after our orgasms subsided, then decided to go hunting for fresh cock and cunt.

It seems Cath is a regular at orgies, held about every two weeks at this big house just outside Lincoln, and she introduced me to some *very* interesting people. One of these, Carl, makes videos; and we watched one which starred a sexy, young 18-year-old called Sharon being gang-banged by a rugby team. He said Sharon was a natural, and he'd make her a star, but I thought he was more interested in her big boobs and long legs. Anyway, he promised to video me, too, and sure enough I am now a blue film star. Well, actually it lasts 20 minutes and basically I just do a strip and masturbate, but it's a start, isn't it?

By the way, tell Liz (Vol 17 No 1) that black lovers are no better than white ones. It doesn't matter how big his cock is, or what he does with it, it's down to what the girl does with it that counts. Use your own imagination, girls, don't wait for him! Also from the same issue, I'm in love with Tabitha, who's simply the most beautiful girl in the world. Like me, she loves to be on top. Oh, Tabitha, my bed seems so empty without you! – *Tracey, Lincoln* ♣
